[REDACTED] TOWNE.
You don't know me but I am familiar with [REDACTED]

I HAVE INFORMATION AGAINST HIM!

I assume you are very interested. [REDACTED]
[REDACTED] yet he allows the type of criminal activity amongst law enforcement, that I'm about to reveal to you, go unpunished.

To get right into it. Sgt. James Strand of Lasalle Police and Utica Police was placed under investigation for soliciting a prostitute on the webpage "Backpage" by Peru Police.

Peru Police handed the investigation over to Lasalle Police. The Chief, Lt. of Investigations, and Mayor all joined together to protect and cover this up.

Messages were sent from Strand to the prostitute using a Utica Police Department cell phone.

Peru, Lasalle and Utica did NOTHING! Except cover it up and try to hide any evidence of this happenening.

Eventually the State Police were made aware of the situation. They conducted an investigation and this investigation landed on TOWNE's desk MONTH'S AGO!!!!

Few people know anything about any of this. I promise you this is legit. Dig, FOIA, and discover for yourself the amount of illegal acts committed by local law enforcement officials. Chiefs, Mayors, Liutenants, Sergeants, and States Attorney Brian Towne.

This type of criminal corruption has no place in law enforcement. EVERYONE involved should go down for this!

FOIA the State!
FOIA Lasalle
FOIA Peru
FOIA Utica
FOIA TOWNE!!!

Talk to the real victim in all of this [REDACTED] She is the prostitute that strand and all involved have used their power and influence on to keep this quiet.

For reasons I can not divulge, I can not do this.

PLEASE HELP LASALLE COUNTY!
