RE: FOIA Request for Review – 2017 PAC 46424

Dear Mr. Schuering:

On February 22, 2017, the Public Access Bureau sent the **City of Carlinville** (City) a letter requesting that it respond to a Request for Review submitted by Mr. John Kraft contesting the denial of his January 16, 2017, FOIA request. On March 1, 2017, I received a call from you requesting an additional time to respond. **I informed you that the Public Access Bureau does not have authority under FOIA to extend the time for response. As of this date, the Public Access Bureau has not received the City's response to our February 22, 2017, letter.** If the City has already sent its response, please resend that response to my attention. If the City has not responded, please do so now. Enclosed for your reference are copies of our February 22, 2017, letter and Mr. Kraft's Request for Review.

Please contact me at (217) 782-9054 if you have questions or would like to discuss this matter. Thank you.

Very truly yours,
