Deficit Reduction Plan-Background/Assumptions Fiscal Year 2016 through Fiscal Year 2019

Mattoon CUSD #2 11015002026

Please complete the following schedule and include a brief description to identify any areas of the budget that will be impacted from one year to the next. If the deficit reduction plan relies upon new local revenues, identify contingencies for further budget reductions which will be enacted in the event those new revenues are not available. For additional information, please see:

http://www.isbe.net/sfms/budget/default.htm

1. Background and Narrative of Budget Reductions:

The main reason that the Deficit Reduction plan was needed was that property tax revenue anticipated in FY 15 was not actually received until FY 16. That, in conjenction with the state pro-rating additional state aid from our district in March 2015 caused our district to have to submit this deficit budget reduction plan.

This is corrected immediately within the FY 16 budget and moving forward.

2. Assumptions Used in the Deficit Reduction Plan:

Similar assumptions as in the past. We are able to attrition a few staff positions each year. EAV and GSA both grow slightly.

Expenditures less in FY 17 than FY 16 due to roofs on high school and middle school in FY 16 and not FY 17. - Foundation Levels for General State Aid:

Same amout of pro-ration on General State Aid as has been in the past.

- Equal Assessed Valuation and Tax Rates:

EAV growing slightly (1%) each year and tax rates remaining relatively constant.

- Employee Salaries and Benefits:

Slight growth (2%) but also able to attrition some staff.

- Short and Long Term Borrowing:

No difference from previous years.

- Educational Impact:

Able to provide that same amount of classes and class size levels the same. No diminishment in educational delivery systems.

- Other Assumptions:

\$0 Å

none

- Has the district considered shared services or outsourcing (Ex: Transportation, Insurance) If yes please explain:

ESTIMATED LIMITATION OF ADMINISTRATIVE COSTS

(For Local Use Only)

This is an estimated Limitation of Administrative Costs Worksheet only and will not be accepted for Official Submission of the Limitation of Administrative Costs Worksheet.

The worksheet is intended for use during the budgeting process to estimate the district's percent increase of FY2016 budgeted expenditures over FY2015 actual expenditures. Budget information is copied to this page. Insert the prior year estimated actual expenditures to compute the estimated percentage increase (decrease).

The official Limitation of Administrative Costs Worksheet is attached to the end of the Annual Financial Report (ISBE Form 50-35) and may be submitted in conjunction with that report.

An official Limitation of Administrative Costs Worksheet can also be found on the ISBE website at: Limitation of Administrative Costs

Deficit Reduction Plan-Background/Assumptions Fiscal Year 2016 through Fiscal Year 2019

Mattoon CUSD #2 11015002026

Please complete the following schedule and include a brief description to identify any areas of the budget that will be impacted from one year to the next. If the deficit reduction plan relies upon new local revenues, identify contingencies for further budget reductions which will be enacted in the event those new revenues are not available. For additional information, please see:

http://www.isbe.net/sfms/budget/default.htm

1. Background and Narrative of Budget Reductions:

The main reason that the Deficit Reduction plan was needed was that property tax revenue anticipated in FY 15 was not actually received until FY 16. That, in conjenction with the state pro-rating additional state aid from our district in March 2015 caused our district to have to submit this deficit budget reduction plan.

This is corrected immediately within the FY 16 budget and moving forward.

2. Assumptions Used in the Deficit Reduction Plan:

Similar assumptions as in the past. We are able to attrition a few staff positions each year. EAV and GSA both grow slightly.

Expenditures less in FY 17 than FY 16 due to roofs on high school and middle school in FY 16 and not FY 17. - Foundation Levels for General State Aid:

Same amout of pro-ration on General State Aid as has been in the past.

- Equal Assessed Valuation and Tax Rates:

EAV growing slightly (1%) each year and tax rates remaining relatively constant.

- Employee Salaries and Benefits:

Slight growth (2%) but also able to attrition some staff.
