Dear Ms Steinberg,

I apologize for not addressing this matter in a timely manner. I did go back to my August 17 emails at cluckyrph@yahoo.com, your email request was not there. Apparently, I did not receive it.

There were two members of the insurance committee in the private county board room, but we are also members of the Tax and Finance committee , Legislative committee and County Board where we are not a majority of a quorum.

We were together but we did not discuss county insurance business.

I did check with our open meetings act advisor and was told I did not need to post a notice to review the list of county properties requested by our property and casualty insurance company.

Because there was no meeting, there is no posting, no agenda, no minutes or recordings.

Thank you for your continued support of County Government and your willingness to help.

Sincerely,
Karen Luchtefeld
County Board member
