I need the order by latest Monday morning at 8am. I would rather the order be in before then, but I will check my email Monday morning.

Hi Mrs. Becker, you had said you wanted to take a look at a fundraiser of mine. I do not have the fundraiser with me-due to my mom selling at her work. Would you like for me to send you photographs of the packet, so that you may look at them during your desired moments?

Just wanted to thank you for your advice and support yesterday. It has been a rough several days. Yesterday being the worst!

Things are already dying down I think, so we are wrapping up our regular season tonight with our end of season parent meeting in my room. And, getting some info out about playoffs.

So, hopefully it will all go wel

Hello-

Attached is the High Resolution Photo(s) that you have ordered as apart of the photo pkg you ordered for your child for, 2017 Cumberland JFL Dance &/or Cheer Photos.

When you go to download the photo(s) make sure you download the "Original file", this is the High Resolution file that you will be able to print from. Once its download to your computer, you should be able to upload it to any lab to make as many prints as you will need. Please let me know that you did receive the digital images ok and everything downloaded properly.
