Mr. Gasser,

- 1) It is not a clear and obvious conflict. Further, the township and road district's interests are identical.
- 2) Regardless of the above, after tonight's meeting, if the Board does not approve your budget, there will be an actual conflict, in which I will cease representing the Road District in any capacity.

Further, you should note that I have filed an appearance in the FOIA case only on behalf of the Township.

Subject: Edgar County Watchdog Complaint

Mr. Kelly:

I am directing you not to represent the Algonquin Township Road District in the Edgar County Watchdogs case against the township.

There is a clear and obvious conflict of interest in which you are part of the decision making process and conduct referenced in the complaint. You cannot represent the client when you are a witness.

I am making this demand on behalf of the Road District.

Thank You
