Mr. Gasser

You must be confused. I have now said for the third time I do not have these records. I am reminding you to do your job as FOIA Officer to answer. I have no records to give you regarding this FOIA. I hope this clarified your obvious confusion from my prior emails. Please understand your role moving forward.

There are no threats. Do your job and provide the records that you are being asked to provide.

Mr. Gasser.

I do not have these records. Your email asked if I was searching for the records. Please refrain from making threats

against me. This is the fourth threat that I have on record from you. I do not have these records. You will need to answer the FOIA or Mr. Lutzow by way of Attorney Kelly need to answer as I no longer am a FOIA Officer. I have already spoken to Mr. Kelly about this.

Your threats will be forwarded to the proper authority.

Do you have these records?

Ms. Karen,

I do not have any tax objection statements in my office. Would you please confirm you are looking for these?

Thanks,
Andrew

Mr. Allen,

I have forwarded this on to the Clerk to obtain those records for the Road District and Mr. Lutzow for the supervisor credit card.

Be Blessed,
Andrew

Subject: FOIA Request

In accordance with the Freedom of Information Act of Illinois, I am requesting the following public records.

1. A copy of all Tax Objection Settlements the Township and The Road District has entered into in the last 10 years.
2. A copy of all Credit Card Statements for credit accounts being used by the Township Supervisor since May 15, 2017.

I request expedited processing on the basis of an urgency to inform the citizens and taxpayers of Illinois about their government's activities. If any element of this request is denied in whole or in part, I ask that you justify all withholdings individually by reference to specific exemptions of the Act. Please provide all responsive information to me electronically.

I request a rolling production of records, such that the public body furnishes records to my attention as soon as they are identified, preferably electronically, but as needed then to my attention, at the below address. If you have any questions please do not hesitate to contact me. Rolling production is not to be perceived as an agreement to extend the timeframe for compliance under FOIA.

If you are not the FOIA officer responsible for any part of this request you are required by law to forward it to the appropriate FOIA officer.

The purpose of the request is to access and disseminate information regarding the legal rights of the general public and is not for the principal purpose of personal or commercial benefit.

As outlined in FOIA, documents shall be furnished without charge or at a reduced charge, as determined by the public body, if the person requesting the documents states the specific purpose for the request and indicates that a waiver or reduction of the fee is in the public interest. Waiver or reduction of the fee is in the public interest if the principal purpose of the request is to access and disseminate information regarding the health, safety and welfare or the legal rights of the general public and is not for the principal purpose of personal or commercial benefit.

I am requesting the records be provided in electronic format if that is the method in which they are stored. If they are in paper form and the copier can convert them to electronic format I would appreciate receiving them electronically.

Thanks,
Kirk Allen
