Subject: FOIA request

In accordance with the Freedom of Information Act of Illinois, I am requesting the following public records.

1. A copy of the specifications provided for bidders to provide bids for the building of a new workshop.
2. A copy of the Advertisement for the request for bids for the building of a new workshop
3. A copy of all bids received regarding the building of a new workshop
4. A copy of the minutes where the bids for the new workshop were opened.
5. A copy of the Open Meetings Act training certificates for all elected officials in the Village
6. A copy of the Freedom of Information Act training certificates for appointed FOIA officers and their designees.
7. A copy of all credit card statements for the last 24 months to include every page of the statements.
8. A copy of all emails addresses for Village Elected officials and employees.

I qualify as both media and non-profit under the definitions in Section 2 (c-10) ("Commercial purpose"), Section 2 (f) ("News media"), Section 2 (g) ("Recurrent requester"), and Section 2 (h) ("Voluminous request") of the Freedom of Information Act, for the purposes of being exempt to the provisions of Section 3.1 (Requests for commercial purposes), Section 3.2 (Recurrent requesters), Section 3.6 (Voluminous requests), and Section 6 (Authority to charge fees).

I request expedited processing on the basis of an urgency to inform the citizens and taxpayers of Illinois about their government's activities. If any element of this request is denied in whole or in part, I ask that you justify all withholdings individually by reference to specific exemptions of the Act. Please provide all responsive information to me electronically.

I request a rolling production of records, such that the public body furnishes records to my attention as soon as they are identified, preferably electronically, but as needed then to my attention, at the below address. If you have any questions please do not hesitate to contact me. Rolling production is not to be perceived as an agreement to extend the timeframe for compliance under FOIA.

If you are not the FOIA officer responsible for any part of this request you are required by law to forward it to the appropriate FOIA officer.

The purpose of the request is to access and disseminate information regarding the legal rights of the general public and is not for the principal purpose of personal or commercial benefit.

As outlined in FOIA, documents shall be furnished without charge or at a reduced charge, as determined by the public body, if the person requesting the documents states the specific purpose for the request and indicates that a waiver or reduction of the fee is in the public interest. Waiver

or reduction of the fee is in the public interest if the principal purpose of the request is to access and disseminate information regarding the health, safety and welfare or the legal rights of the general public and is not for the principal purpose of personal or commercial benefit.

I am requesting the records be provided in electronic format if that is the method in which they are stored. If they are in paper form and the copier can convert them to electronic format I would appreciate receiving them electronically.

Thanks,
Kirk Allen
