Dear Mrs. Dvorak,

It is Ok for me,

I will keep private information, and the engineers have authorization, to assess the land any time.

Thanks

Hello,

The BOE is interested in the land we discussed Friday. However, we will not make this public at this time. IWEST will need to consult with the engineer. We will have the engineer come in and assess the land. We will be getting back to you in a couple weeks. Thanks again for your willingness to work with the BOE in this venture.
