Statement of Arresting Officer/Deputy/State's Attorney Stating Facts Related to Arrest:

A manager at the Kappa men's club flagged me down as I pulled into the parking lot. I observed David angrily yelling at his wife Jennifer. The manager informed me that Jennifer had been hit in the face. When I spoke with Jennifer she told me that David had punched her in the face because she tried breaking up a fight he was in with another male. David was highly irritable and appeared highly intoxicated during the contact. He continued to argue in an aggressive manner with the subject he had previously fought, his wife, and another subject on scene. He yelled at his wife stating "I'm gonna punch you again" while I stood in their presence.

When I asked Jennifer about his hitting her, she confirmed David did it because he was mad at her for getting in between he and another male that were fighting. Jennifer's right eye and orbital area were red, puffy, and swollen.

I reviewed surveillance video of the incident. I observed Tony (male fought with) and Jennifer outside smoking. David exited the door and observed them. David grabbed Tony and pinned him against the wall, throwing multiple punches and striking Tony. Jennifer attempted to get him to stop. David then released Tony and intentionally delivered one hard strike to her face, and then continued with another strike or two to her abdomen area. He then returned to punching Tony.
