

Senate 3rd Reading (2)

STATE OF ILLINOIS
88TH GENERAL ASSEMBLY
REGULAR SESSION
SENATE TRANSCRIPT

49th Legislative Day

May 11, 1993

Senator Klemm.

SENATOR KLEMM:

Well, thank you, Mr. President. House Bill 514 would authorize the township board of trustees to make contracts relating to insurance for a duration not to exceed the board's term by more than one year. Currently the law says that they cannot make it beyond their term, and what happens is township government on some of the insurance contracts goes beyond their term. And rather than having to re-bid a contract that is favorable for the township, it allows them at least to go one year beyond. And also with new trustees being sworn in, they wouldn't have to start all over again. It also contains two other provisions. One is that it allows townships to create committees on literacy. It also provides that when a township is selling personal property valued at less than two hundred dollars, there's no need for voter approval. There's a second amendment that was added that townships could impose reasonable fees for recreation and instructional programs which are sponsored by the townships on programs they wish to do. So I do ask for your favorable support.

PRESIDING OFFICER: (SENATOR MAITLAND)

Discussion? Discussion? Senator Klemm, you wish to close? The question is, shall House Bill 514 pass. Those in favor will vote Aye. Opposed, vote Nay. The voting is open. Have all voted who wish? Have all voted who wish? Have all voted who wish? Take the record, Madam Secretary. On that question, there are 55 Ayes, no Nays, no Members voting Present. House Bill 514, having received the required constitutional majority, is declared passed. House Bill 518. Senator Woodyard. Read the bill, Madam Secretary.
