Mr. Allen,

Again, I have no interest in participating in your unproductive and inflammatory gossip-blog, and, again, I have no comments to you regarding "confirming I've confirmed" any of your he-said/she-said gossip.

This is an official e-mail channel for the usage of conducting Township business. For the last time, I am telling you that not use this e-mail address to contact me for any reason.

Further, considering the litigation you are engaging in and threatening the Township with, I will not be responding to any future emails from you. You may contact the Township attorney with any questions regarding Township business, or Andrew Gasser regarding Road District business.

Sincerely,  
Rachael Lawrence  
Algonquin Township Trustee

Rest assured this has to do with Township Business.

Is the statement below in quotes true or not? It came from an Algonquin Township official.

*“The one thing that Rachael Lawrence did confirm is that Gasser has video of my son”*

Thanks  
Kirk

It is being reported to us that you confirmed Andrew Gasser had a copy of the video with Lukasik and her family in the basement room.

Can you confirm that you have confirmed Andrew Gasser had a copy of the video? If so, how did you confirm this information?

Thanks  
Kirk Allen

I recall instances when I observed Andrew Gasser to be amused when Clerk Lukasik was distressed for whatever reason. I was not an eyewitness to any of the other allegations you mention, and while I do have my suspicions, I don't like to speculate or share gossip that I can't personally confirm.

Trustee Lawrence,

I received information this weekend that alleged it was Ryan Provenzano and Chuck Lutzow that put together the anonymous packet of information on Bob Miller. Is this true to your knowledge?

The other allegation was that Ryan Provenzano, Chuck Lutzow, and Andrew Gasser would move records or boxes with records and then laugh about Lukasik not being able to find them. Is this true to your knowledge?

Thanks  
Kirk Allen
