**Subject:** Gasser v Lukasik-Draft Settlement Order--Settlement Discussions Only

All,

The Township Clerk will not sign the proposed order to settle this matter unless three issues are addressed: 1) changing of locks securing the township records from access by anyone other than the Clerk or her designee; 2) an acknowledgment by the Highway Commissioner and Supervisor that the Township Clerk was wrongfully brought into this lawsuit and that there is no evidence whatsoever that the Township Clerk has mishandled the Township records in any way; and 3) execution of a full general release. If this is acceptable I will draft the appropriate language to be inserted into the Settlement order. If not, an amended counterclaim will be filed along those lines.
