Hello Scott,

I was curious when I can expect delivery of the records that belong to the Township? I will need to coordinate when either myself or a representative from my office will be available to accept them back. Also, could you please return the two thumb drives that I gave to you, the one of Mr. Lutzow and Ryan Provenzano on the Kabota with recycle bins in the back as well as the video of my son, husband and me illegally video/audioed in the record's room while attempting to gather documents for the state police. I need those back asap. I appreciate your timely response on these items.

Regards

Karen Lukasik
