Re: "No Contact Letter"

Mr. Daniel L. Vera, Supervisor  
Joliet Township  
175 West Jefferson Street  
Joliet, Illinois 60435

Dear Mr. Vera:

You have made inquiry of me regarding the drafting of a letter in which the Town Clerk was to be instructed to avoid contact with Mr. Mafeo's female assistant. Apparently the two people did not get along. I recall assisting Mr. Mafeo in drafting such letter. I have know knowledge as to whether the letter was actually given to the Town Clerk. I know the Mr. Mateo talked to the Clerk and came to an arrangement whereby contacts would be avoided. I do have a vague memory of being a little ticked that the letter was not used after I was called to help draft it.

But this is a vague memory.

Since Mr. Mafeo resolved the issue in a professional manner, I do not see the significance as to whether the letter was actually used.

Respectfully submitted,

Franklin D. Burkey
