Subject: Incomplete SEI

Supervisor Vera,
According to the Will County Clerk web site, your Statement of Economic Interest is incomplete.

Specifically, under Item number 7 you failed to name the unit of government for which you consult. Can you please let us know which units of government you consult with that would require reporting on your SEI? I also ask that you update your SEI to ensure compliance with the law.

Additionally, trustee Hertzmenn also has an incomplete SEI. He too failed to list the unit of government for which he is an Apparatus/paramedic for. Can you please let us know which unit of government applies to item number 7 and update the SEI to ensure compliance with the law?. <https://seionline.clarityelections.com/SEI/SubmissionConfirmation.aspx?FilingId=5163>

Thanks
