RE: Recording of Public Meetings Policy

I, Troy G. Payne, attorney for the Village of Montrose spoke with the Mayor of the Village of Montrose on June 1, 2020.

It was brought to our attention that there was a notice concerning possible restrictions on the recording of open meetings for the Village of Montrose.

The Village of Montrose at this time is not requiring a signed form to be completed before recording of meetings. The Village of Montrose by being a public entity is bound by 5 ILCS 120/2.05 which allows recording of public meetings pursuant to Illinois Compile Statue.

The Village of Montrose has no restrictions on the recording of meetings other than 5 ILCS 120/2.05 or any other appropriate legal authority.

Cordially,
