Justice4George commented on [You are being deceived](#)

By: Diane Benjamin Where is the violence across the country happening? Mostly Democrat run cities frequently with black ...

'A riot is the language of the unheard': MLK's powerful quote resonates amid George Floyd protests

Certain conditions continue to exist in our society, which must be condemned as vigorously as we condemn riots. But in the final analysis, a riot is the language of the unheard. And what is it that America has failed to hear? It has failed to hear that the plight of the Negro poor has worsened over the last few years. It has failed to hear that the promises of freedom and justice have not been met. And it has failed to hear that large segments of white society are more concerned about tranquility and the status quo than about justice, equality and humanity. And so in a real sense our nation's summers of riots are caused by our nation's winters of delay. And as long as America postpones justice, we stand in the position of having these recurrences of violence and riots over and over again. Social justice and progress are the absolute guarantors of riot prevention.

"You can go away Regina, I just wanted people to see what lunacy looks like"

I did not write the above statement, Diane. I'm not Justice4George. You are factually wrong.

What you wrote is slander. You then proceed to slander me again in another post. I'm also including the slander that your commenters committed including MEDIAAGHOST et al. This is a cease and desist order.
