Dear Neighbor,

There is no doubt that the Primary Election on Super Tuesday, February 5, 2008, will be an historic event in Illinois and national history. We have a chance to give a boost to a fellow citizen from Illinois as he seeks to lead this great nation as President. Our United States Senator, **BARACK OBAMA**, is running for President of the United States. Every election for the past decade I have asked you to support one candidate or another. Never have I believed in the intelligence, toughness and goodness of a candidate for elective office as I believe in Senator Obama. I have known and personally worked with Senator Obama when he was a legislator in the Illinois Senate in Springfield. I speak personally when I say that Senator Obama is different than most politicians. Aside from a razor-sharp intellect and a dynamic personality, he was that rare legislator who would ask questions about bills because he truly wanted to understand how they would impact on the average person. He was not nearly as interested in what was popular as he was committed to what was right. I saw him take the lead on bills that looked unpopular and get them passed. Some of those bills have become models for laws passed in dozens of other states. He is a man of foresight and thought. He will be a great President and we can all be a part of his bringing change to Washington. I know the man. I am proud to ask for your vote for him and his delegates.

In addition, we have an Appellate Judge race that features a candidate that even the Republican Party finds to be so qualified that a Republican Supreme Court Justice appointed him to fill a vacancy on the Appellate bench. The Republican Party is not even fielding a candidate against Justice **JAMES M. WEXSTEN**. He does have an opponent in this primary and needs our votes to insure his nomination and election.

Early voting is again available and you can go and cast your ballot right now at either the County Administration in Edwardsville from 8:30AM to 6:00PM or at the Collinsville Senior Citizens Center from noon to 6:00PM (10:00AM to 3:00PM on Saturdays). As always, you can wait to Tuesday, February 5 and vote at our regular polling place at the Maryville Assembly of God Church on 159 next to Ameren between 6:00 AM and 7:00 PM. Let all join to together in sending the first Illinois resident to the White House since Abraham Lincoln. Join me voting for **BARACK OBAMA**.

Respectfully,

John J. Rekowski

I hope this finds you well. After speaking with my boss and envisioning what the turnstiles will look like, we both agree that the clicker idea is what will work best to keep an accurate head count for your party. I am off for the next couple of days, but wanted to reach out to you to make sure we are all in agreement with this idea. I look forward to hearing from you in regards to this matter and your event. Good Morning Barry,

I am just touching base as I have not spoken with you since we had lunch. Have you gentlemen had a chance to discuss the menu items and bar selections that you would like to have? I didn't know if I should just have the Chef look into the same items as last year or if you wanted different items for your event this year. Also, I believe I sent this to you before, but we like the idea of the counters for both of our teams to use. This way we can both have accurate accounts. I think the turnstiles would just be a pain and would not look very nice or professional for your event. I am interested in hearing your thoughts. Thank you for your time and I sincerely hope you all have a wonderful day.

Barry,

I want to start by saying I hope this last year has gone well for you and your team. As you are well aware, May is fast approaching, which is the month your group has your fundraising event. I am hoping that you will keep us in mind as the place to host your event. Last year's event was a pleasure to work and everyone seemed to have a good time. I believe that by putting our heads together, we can figure out a way to come up with an efficient head count for the people attending, as I believe that this was the only area of concern on your part. [REDACTED] is no longer with our company, so I would be the contact person regarding this event. If you would like to set up a meeting to discuss, feel free to give me a call either at the number below, or on my cell [REDACTED]. I am looking forward to speaking with you in regards to this event. I just talked to Alan. In the thank you letter, mention that we used 283 name tags and realize there were possibly a few that weren't accounted for, but using the 375 number seemed way too much. There was not even close to 315 at 5:15 as Malena said her boss counted. Suggest that they review the overhead tapes to confirm. Please let Alan and I review it before we send it.

Barry,

The contract did have the \$75.00 bartender fee on it, however I don't think that I charged it. I have copied last year's contract and just changed the dates since everything is going to be the same. I will add the \$35.00 per person on this for you.

Barry,

Thank you for your expedience in getting this information to us. The only thing that we both omitted was the times of the event, which you can let me know later.

Menu items are;

Cold Appetizers:

Peel and Eat Shrimp, Vegetable and Cheese Tray, Salmon Display, Fruit Tree

Hot Appetizers:

Portabella Puffs, Toasted Cannelloni, Carved Steamship Round, Mini Rolls, Hot Artichoke Dip with Pita Chips, Chicken Spedini

Desserts:

Petit Fors, Mini Cheesecake

Bar Options:

Bar was sponsored. This will include Domestic bottled beer, premium liquors and wines that are listed under the Argosy Hosted Package in the package information that we sent to you. Note that with a group of this size we will require 2 bars in order to serve all of your guests efficiently as each bar serves 150 people. There is an additional \$75.00 fee. You will see this information on the bottom of the same page of the package information. There will be a \$5.00 charge per drink

We are able to provide background music during your event. Perhaps someone may have a music selection in mind. We can use a playlist that someone has on hand if you would like. Additionally we can adjust the lighting for the type of atmosphere that you desire.

Per our conversation, due to the size of your group, we will require a servicing staff in order to keep your tables bussed frequently. They do not have to serve drinks or tables if this is what you prefer, however they do need to be present.

Also, per our conversation, we would like to discuss your preferred layout of the room so we can meet your specifications and expectations. We will use 20-25 larger round tables with 12 cocktail tables around the perimeter of the room along as a couple near the bar areas. We are excited to have you back and want everything to go as you envision it to be.

Once we are able to get all of our details finalized, I will be sending you a banquet event order for your approval signature.

Malena,

This email will serve as confirmation that we would like to hold Alan Dunstan's Fundraising Reception at the Alton Belle on May 5, 2014.

The tentative count will be 300 people and we will confirm an exact count upon your request. We will go with the peel and eat shrimp and leave off the pork shanks for the price of \$35/head. Please send me a list of the entire menu for our records. Twelve tall cocktail tables should be sufficient in addition to regular round tables. How many regular round tables will you have? White table cloths with black napkins are fine. We would like to have the better liquor available (rather than call liquor) as well as bottled beer. Would you be able to supply light background music during the reception?

We would like to make sure that tables are bussed fairly frequently to allow a better atmosphere for continued conversation. There is no need for waitresses. People can go through the line for their food as well as get their own drinks at the bar(s).

Please confirm this date and answer the above questions by return email. If you have any other questions, feel free to contact me at any time.

Good Morning Barry,

As your event approaches, I have a couple of questions regarding the expected flow of the event. I seem to recall the event just having a flow of people throughout the course of the evening. We are trying to determine what the expectation is from your end. Do you think it will start strong and then even out or retain the same type of flow throughout the evening? I am asking only to determine bar needs. If we open and get a large crowd at opening, we will need to set up the additional bar, but if you expect the flow to be medium to moderate throughout the

evening we can do just one bar. We would appreciate your input regarding this matter in order to ensure the proper items are readily available for your event. Additionally, we said black and white linens. Would you prefer the table cloths as black and white napkins? We are going to place the order with our linen company soon and would like to meet your specifications. Thank you for your help and we look forward to hearing from you. Have a great day.

Malena,

Attached is the signed Contract. We would like the same table arrangement as last year which did include 20 tables. If you think of anything else, please let me know.

Thanks,
Barry
