Re: Bonnie Kurowski v. 

Dear Mr :

The undersigned represents Jardon and Howard Technologies, Inc. ("JHT"). Your letter to my client dated December 10, 2020 has been referred to me for response. Please address any future communications regarding this matter to me.

I have reviewed the Petition for Injunction for Protection Against Stalking (the "Petition") that apparently was filed in Lake County, Florida by Bonnie Kurowski against  . My client has no knowledge of this Petition nor any of the facts as alleged in this Petition by Ms. Kurowski other than as set forth below.

Because of this fact, there is no need for my client to address any of the questions you have presented, except Exhibit A, Section III(5)(9). Although Ms. Kurowski is currently employed by JHT, she is not a "top secret DoD employee" nor is she employed by DoD. Furthermore, JHT is not, and has not monitored  at any time, nor do they deem her a high level security risk as alleged in the Petition. Until receiving a copy of this Petition and your letter, my client had never even heard of .

I trust this response will put an end to my client's involvement in what appears to be a dispute between two private individuals. Please also be advised that by this response, or what you may consider as a lack of response to your other questions, JHT does not ratify the facts as alleged in Ms. Kurowski's Petition other than as stated above.
