Dear Mr. Allen,

The Township has received your email and allegations of a “forged” tax levy filing and takes great exception to same. As you are very well aware, the Township passed the Tax Levy Ordinance (Ordinance 20-23) at the December 15, 2020 Regular Township Board Meeting.

Upon filing with the Will County Clerk’s Office, the Township received a notice from the Will County Clerk’s Office about a potential, minor scrivener’s error within a part of the ordinance that reflected the wrong figure vis-à-vis the Tax Levy Summary. **The County Clerk noted that the correct amount,** reflected in the Summary, confirms the total, aggregate tax levy amount reflected in the Ordinance and as approved by the Board (and reflected on the meeting Agenda from the Board’s approval of the estimated levy in November). **The Will County Clerk’s Office requested that the Township submit a corrected ordinance page reflecting the breakdown amount.**

Therefore, your insinuation of a “forged” filing is baseless. **We ask that you communicate any further questions through your lawyer to the Township Attorney as you may be a named plaintiff who has threatened and/or filed litigation against the Township.**

Sincerely,

Felix George-DuPage Township Supervisor
