## ANNOUNCEMENT OF CANDIDACY

---

Thomas DeVore, Attorney at Law, announces his decision to run for the open seat of the Appellate Court in the 5<sup>th</sup> Appellate District of Illinois.

After serious consideration as to how he might continue to give back to the people of Illinois, Tom believes Illinois needs more judges who will faithfully discharge their oath to protect the freedoms and liberties of all people as guaranteed to each of us by the United States and Illinois Constitutions.

“The liberties and freedoms of our people are not suspended during an emergency and our Courts must do more to protect these rights” said DeVore. As an attorney, Tom has worked tirelessly to protect small businesses, and he continues to help educate parents as to how they can defend their right to educate their children without involuntary medical intervention being thrust upon them by government intrusion.

If elected to the Court, Tom will continue to hold himself to these same standards of protecting individual freedom and liberty of all citizens. As U.S. Supreme Court Justice Gorsuch said, even in times of crisis, the courts cannot stay out of the way when the Constitution is under attack. Tom will always put the Constitution and the people of the 5<sup>th</sup> Appellate District first.
