Erica - Treasure

Randy Biebler } Parito Insurance &
Travis Schmidt } Associate

Discussed Retired employees - who retired on 10-31-18. Went on Medicare on 11-1-18. Maybe shouldn't have been on new insurance.

At least \$120,000 worth of claims that are being held & not paid.

Erica said she would let Gina know the situation. Decided to go into closed session at next board mtg. Hope to include Randy & Travis at meeting to explain situation.
