Subject: Claim Question

Erica;

Thanks for your call today. I felt that I was clear in my presentation to the Shelby County Insurance committee on August 5, 2021 when I was asked if I felt the large claimant, that was a retiree on the County's plan committed fraud. I feel that I was clear in stating that I did not feel that he had any malintent or intentional fraud and could not speak to what the claimant was thinking. I never stated that he did or did not commit fraud. I can only speculate to the nature of why they did not communicate their enrollment in Medicare which would make them not entitled to benefits payable under the plan. I hope this helps clarify my statement that I felt was clearly stated on video tape from the meeting. Thanks
