JOINT STATUS REPORT

In accordance with the Court’s June 1, 2021 minute order (Dkt. 72), the parties submit the foregoing joint status report:

1. On May 28, 2021, the parties submitted a Joint Status Report which noted that Mr. Wyllie’s “serious and ongoing medical conditions have not changed.” Dkt. 71 at ¶ 3.
2. On June 1, 2021, the Court ordered the parties by September 14, 2021 to “file a joint status report: (1) addressing what work remains before they will be in a position to determine how this case will proceed; (2) stating whether the 9/21/2021 status hearing should be rescheduled or a change of plea hearing set; and (3) if the answer to (2) is yes, whether time may be excluded through the next date.” Dkt. 72. The Court set a status hearing date for September 21, 2021 (*id.*), which it later reset for September 24, 2021 (Dkt. 73), and then reset again for September 22, 2021. Dkt. 74.
3. In preparation for this Joint Status Report, the parties once again met and conferred via both email and by phone to address the Court’s inquiry and prepare the status report. During the meet and confer, counsel for Mr. Wyllie informed the government that Mr. Wyllie’s serious and ongoing medical conditions remain unchanged. While the parties are not yet in a position to

determine how this case will proceed, the parties will continue their dialogue about what work remains before they will be in a position to determine how this case will proceed.

4. In light of the parties' conference, the continued information sharing and commitment to engage in further dialogue, the parties request that the Court strike the September 22, 2021 status hearing date, and reset it until a date during the week of January 10, 2022. At that time, the parties will be better positioned to address the Court's inquiry as to how this case will proceed.

5. The parties agree to the exclusion of time through the next status hearing date in January 2022, in the interest of justice, pursuant to 18 U.S.C. § 3161(h)(7)(A).

Dated: September 14, 2021

Respectfully submitted
