**Subject:** RE: ATTY MEMORANDUM ON PARK.pdf

The park is NOT personal property. It is REAL property. The lawyer gets an F on this opinion!

In one paragraph he cites a statute that does not even exist. 50 ILCS 606/3.1 I know it's a typo but regardless, he cites the wrong law.

The one he meant to cite gives such power but does not mean it can be done on its own without compliance with the specific township code where the electors give such powers to the board for a period of 12 months. Meaning during that 12 month period they could lease it if the electors gave them the power.

How special is it that he fails to even mention the applicable statute that stops any sale or lease?

(60 ILCS 1/120-5)

Sec. 120-5. Power to acquire park land; inapplicable to church.

(a) A township, acting through the township board, may acquire lands (not exceeding for any one park 25 acres in extent, unless received as a gift) to be set apart and forever held and maintained and improved as public parks for the free use of the public.

(60 ILCS 1/105-10)

Sec. 105-10. Deed. When any conveyance of real estate is made by a township, the deed shall recite the order of the township meeting directing the conveyance. The recital is prima facie evidence of the making and contents of the order. The deed shall be signed by the supervisor in his official capacity and attested by the township clerk unless the meeting ordered that the deed be made by some other officers or persons.

(Source: P.A. 82-783; 88-62.)

(60 ILCS 1/30-50)

Sec. 30-50. Purchase and use of property.

(a) The electors may make all orders for the purchase, sale, conveyance, regulation, or use of the township's corporate property (including the direct sale or lease of single township road district property) that may be deemed conducive to the interests of its inhabitants, including the lease, for up to 10 years, or for up to 25 years if the lease is for a wireless telecommunications tower, at fair market value, of corporate property for which no use or need during the lease period is anticipated at the time of leasing. The electors may delegate the power to purchase, sell, or lease property to the township board for a period of up to 12 months and the township board may specify properties being considered. The property may be leased to another governmental body, however, or to a not-for-profit corporation that has contracted to construct or fund the construction of a structure or improvement upon the real estate owned by the township and that has contracted with the township to allow the

township to use at least a portion of the structure or improvement to be constructed upon the real estate leased and not otherwise used by the township, for any term not exceeding 50 years and for any consideration. In the case of a not-for-profit corporation, the township shall hold a public hearing on the proposed lease. The township clerk shall give notice of the hearing by publication in a newspaper published in the township, or in a newspaper published in the county and having general circulation in the township if no newspaper is published in the township, and by posting notices in at least 5 public places at least 15 days before the public hearing.

(b) If a new tax is to be levied or an existing tax rate is to be increased above the statutory limits for the purchase of the property, however, no action otherwise authorized in subsection (a) shall be taken unless a petition signed by at least 10% of the registered voters residing in the township is presented to the township clerk. If a petition is presented to the township clerk, the clerk shall order a referendum on the proposition. The referendum shall be held at the next annual or special township meeting or at an election in accordance with the general election law. If the referendum is ordered to be held at the township meeting, the township clerk shall give notice that at the next annual or special township meeting the proposition shall be voted upon. The notice shall set forth the proposition and shall be given by publication in a newspaper published in the township. If there is no newspaper published in the township, the notice shall be published in a newspaper published in the county and having general circulation in the township. Notice also shall be given by posting notices in at least 5 public places at least 15 days before the township meeting. If the referendum is ordered to be held at an election, the township clerk shall certify that proposition to the proper election officials, who shall submit the proposition at an election. The proposition shall be submitted in accordance with the general election law.

(c) If the leased property is utilized in part for private use and in part for public use, those portions of the improvements devoted to private use are fully taxable. The land is exempt from taxation to the extent that the uses on the land are public and taxable to the extent that the uses are private.

**(d) Before the township makes a lease or sale of township or road district real property, the electors shall either delegate the power to the township board to purchase, sell, or lease properties for a period of up to 12 months as provided in subsection (a) or adopt a resolution stating the intent to lease or sell the real property, describing the property in full, and stating the terms and conditions the electors deem necessary and desirable for the lease or sale. A resolution stating the intent to sell real property shall also contain pertinent information concerning the size, use, and zoning of the property. The value of real property shall be determined by a State licensed real estate appraiser. The appraisal shall be available for public inspection. The resolution may direct the sale to be conducted by the staff of the township or by listing with local licensed real estate**

agencies (in which case the terms of the agent's compensation shall be included in the resolution).

Anytime during the year, the township or township road district may lease or sell personal property by a vote of the township board or request of the township highway commissioner.

The clerk shall thereafter publish the resolution or personal property sale notice once in a newspaper published in the township or, if no newspaper is published in the township, in a newspaper generally circulated in the township. If no newspaper is generally circulated in the township, the clerk shall post the resolution or personal property sale notice in 5 of the most public places in the township. In addition to the foregoing publication requirements, the clerk shall post the resolution or personal property sale notice at the office of the township (if township property is involved) or at the office of the road district (if road district property is involved). The following information shall be published or posted with the resolution or personal property sale notice: (i) the date by which all bids must be received by the township or road district, which shall not be less than 30 days after the date of publication or posting, and (ii) the place, time, and date at which bids shall be opened, which shall be at a regular meeting of the township board.

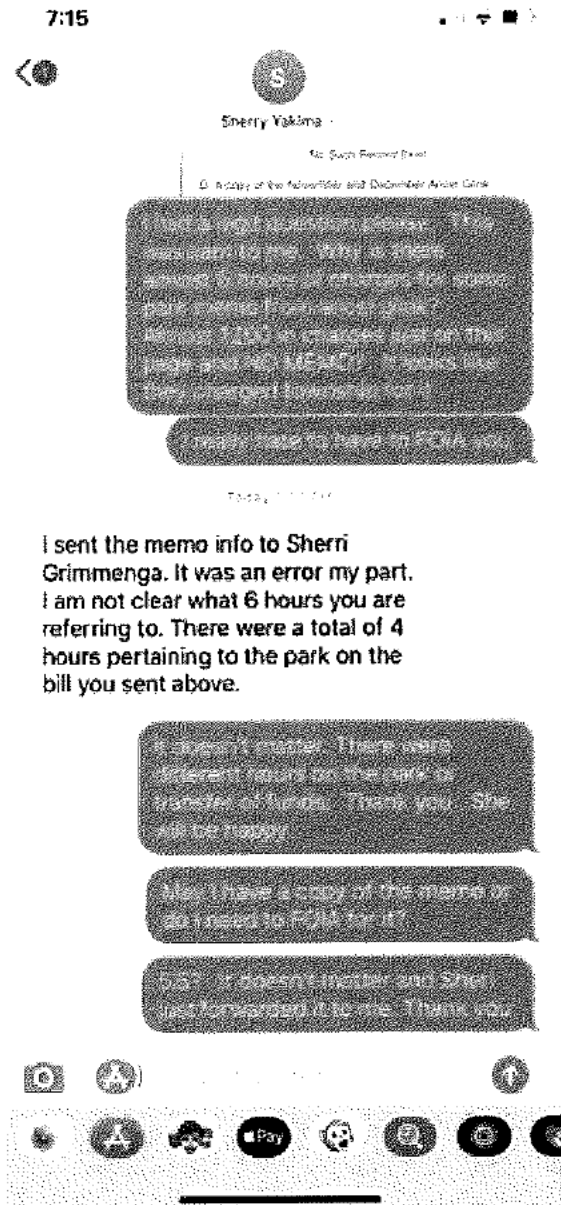

All bids shall be opened by the clerk (or someone duly appointed to act for the clerk) at the regular meeting of the township board described in the notice. With respect to township personal property, the township board may accept the high bid or any other bid determined to be in the best interests of the township by a majority vote of the board. With respect to township real property, the township board may accept the high bid or any other bid determined to be in the best interests of the township by a vote of three-fourths of the township board then holding office, but in no event at a price less than 80% of the appraised value. With respect to road district property, the highway commissioner may accept the high bid or any other bid determined to be in the best interests of the road district. In each case, the township board or commissioner may reject any and all bids. This notice and competitive bidding procedure shall not be followed when property is leased to another governmental body. The notice and competitive bidding procedure shall not be followed when real or personal property is declared surplus by the township board or the highway commissioner and sold to another governmental body.

The township board or the highway commissioner may authorize the sale of personal property by public auction conducted by an auctioneer licensed under the Auction License Act or through an approved Internet auction service.

(e) A trade-in of machinery or equipment on new or different machinery or equipment does not constitute the sale of township or road district property.

Thank you. There were 6 hours pertaining to the park as per the bill. Thank you. She will be happy.

Also I have a copy of the memo as I need to PMA for it.

Oh I received the memo and Sherri forwarded it to me. Thank you.

Please see communication to Scott Pyles below. I copied the other attorney so that he knows what is about to befall him after I kick his ass (figuratively).

Mr. Pyles:

I am not one to seek sanctions against other attorneys and I rarely find myself writing a letter such as this. However, you should be aware of the following:

Under Rule 137, sanctions may be granted under two different circumstances: (1) when a pleading, motion, or other paper is not 'well grounded in fact' or is not 'warranted by existing law or a good-faith argument for the extension, modification, or reversal of existing law,' or (2) when it is interposed for purposes such as to 'harass or to cause unnecessary delay or needless increase in the cost of litigation. See *Patton v. Lee*, 406 Ill.App.3d 195, 940 N.E.2d 802 Ill.App. 2 Dist., 2010, citing *People v. Stefanski*, 377 Ill.App.3d 548, 551, 316 Ill.Dec. 631, 879 N.E.2d 1019 (2007), quoting 155 Ill.2d R. 137; see *Penn v. Gerig*, 334 Ill.App.3d 345, 354, 268 Ill.Dec. 339, 778 N.E.2d 325 (2002).

If a reasonable inquiry into the facts to support the filing has not been made to ensure that the facts stated are well grounded, the party, the party's attorney, or both are subject to an appropriate sanction that may include an order to pay the other party's attorney fees and costs. *Chicago Title & Trust Co. v. Anderson*, 177 Ill.App.3d 615, 621, 126 Ill.Dec. 910, 532 N.E.2d 595 (1988).

While Rule 137 does not expressly state that an attorney has a continuing duty of inquiry throughout the pendency of litigation, the Illinois Appellate Court has followed the lead of the seventh circuit and implied such an obligation. See *Cmarko v. Fisher*, 208 Ill.App.3d 440, 153 Ill.Dec. 394, 567 N.E.2d 352 (1990). The 2nd District Appellate Court held that an attorney is duty bound to promptly dismiss a lawsuit or withdraw an erroneous pleading once it becomes evident it is unfounded. See *Walsh v. Capital Engineering and Manufacturing Co., No. 1-98-3324 (cons. with 1-98-3463)*, citing to *Shea, Rogal & Associates, Ltd. v. Leslie Volkswagen, Inc.*, 250 Ill.App.3d at 153, 190 Ill.Dec. 208, 621 N.E.2d 77; *Cmarko v. Fisher*, 208 Ill.App.3d 440, 446, 153 Ill.Dec. 394, 567 N.E.2d 352 (1990); *In re Custody of Caruso*, 185 Ill.App.3d 739, 744, 134 Ill.Dec. 196, 542 N.E.2d 375 (1989). Because an attorney's first duty is to the administration of justice, he is obligated to dismiss a claim which is ultimately revealed to be unfounded in its entirety, even over objections from his client. *In re Custody of Caruso*, 185 Ill.App.3d at 744-45, 134 Ill.Dec. 196, 542 N.E.2d 375. Moreover, an attorney may not shield a breach of his Rule 137 obligations behind the simplistic plea that he was merely following his client's directions or that he was merely exercising his right to a trial. *In re Custody of Caruso*, 185 Ill.App.3d at 744-45, 134 Ill.Dec. 196, 542 N.E.2d 375. See Also, *Hernandez v. Williams*, 258 Ill.App.3d 318, 197 Ill.Dec. 980, 632 N.E.2d 49 (1994) (Law firm sanctioned for filing jury demand in small claims case without adequate factual basis).

In this case you have advanced a position that is predicated upon a factual contention that your client had an official role as a "Park Ranger" within the motion to dismiss you filed on behalf of Ms. Kennedy. As you can see from the attached video (which includes your client - demonstrating her knowledge of the falsity of the allegations in the motion to dismiss), the usage of the term "park ranger" was a "nick name" and a "term of endearment", not an official title or official position. See video attached. I provide this to you without any discovery request so that you can assess your duty as an officer of the Court.

While IL. SP. Ct. Rule 137 does not require a safe harbor letter such as required under Federal Rule C.P. 11, I am taking the opportunity to provide you such a safe harbor and allow you to withdraw your motion to dismiss before I file any motion for sanctions. The substance of your position is not factually supported by reasonable inquiry into the law or the facts. If I do not receive a motion to withdraw your motion to dismiss within five business days, I will in all likelihood file the appropriate motion to seek sanctions against both you and your client for the motion containing the specious contention that Ms. Kennedy is a "Park Ranger".

Mr. Meyers,

Please consider this a formal criminal complaint that needs to be addressed either by the States Attorney's office or the County Sheriff. Please provide this to the appropriate agency. I would have copied the Sheriff's office however I was unable to locate any published email addresses for elected officials in Will County.

The video link will show that the Township Clerk is captured on video in the Wesley Township office with her Father. She goes through a file and appears to have a question where he Father then touches a specific piece of paper in that file at about the :35 second mark of the video. He keeps his hands on that page as they look through others.

It appears he has given her an instruction on that specific document.

Then, Sarah Norton, the Township clerk and daughter of John Norton, is seen taking that very specific public record and separating it from the rest of those papers and then walking over to the shredder and shredding the public record.

John Norton is the past Road District Highway Commissioner and has a history of malfeasance. Local citizens have been demanding records to expose his actions and his daughter is blocking most of those FOIA requests.

I currently have a FOIA lawsuit against them for refusing to provide records.

Destruction of public records is a Felony under the Local Records Act and this action appears to be a clear case of Officials Misconduct by an elected officials.

Please consider this evidence of a crime committed against the people of Wesley Township .

Please let me know if you have any questions or need further information.

Thanks

Hi Paula,

Thanks for the info.

I think we should file a Request for Review as to the following:

- (1) Not all meeting minutes are attached
- (2) Board approvals are not attached
- (3) We know there were applications -- at least in 2017 when apparently 3 people applied for the Township Clerk position
- (4) The treasure pays out Road District salaries and wages - information should come from the Treasurer.

What do you think?

Cindy,

DO NOT TALK about the following info to anyone but Rob Hanlon.

He was given a copy of a posting to our website from 3:03 this morning and this needs to be kept quiet until he can file a Motion to compel Comcast to reveal the IP address owner. I suspect it is Kathy Kennedy because of other posts with the same IP address are similar to a post she made to our Watchdog facebook page.

Maybe you should call Rob and ask him

Just what we need, another crooked Democrat.

Sue Lyday

Are you working today

I need your work number

I cant talk right now but I would urge you to not say another word about board appointments. I would also urge you to not go to the meeting unless we show up. Allegations have been made that you intend on bankrupting the township if Sue Lyday is not appointed. If this is true, such a threat can be and has been perceived as extortion, which is a crime. You don't need a criminal investigation on top of all the other crap you have in the court.

Total lies
