Dear Parents and Community Members,

Paris Union School District No. 95 has learned of the arrest of a volunteer assistant coach for the online solicitation of minors. The volunteer coach was removed from all school duties once the district became aware of the allegation, and we have been working with local law enforcement and the Illinois Department of Children and Family Services since that time.

The professional expectations for our staff members are very clear, and this type of behavior will not be tolerated. The safety of our students is our top priority, and we will continue to work with state and local authorities as they assess this situation. Anyone with information related to the investigation is asked to contact the Paris Police Department.

If you have any questions, please email Dr. Jeremy Larson at jl Larson@paris95school.org or you can call at 217 (465)-8448.

Sincerely,

A handwritten signature in black ink that reads "Jeremy Larson".

**Dr. Jeremy Larson, MBA
Superintendent of Schools**
