Case No. <u>2021OP001431</u> Ref. Case \_\_\_\_\_

## FINDINGS [Emergency Order]

☑ The Court finds that good cause exists for granting the remedy regardless of prior service of process or notice upon the Respondent, because the harm which that remedy is intended to prevent would be likely to occur if Respondent were given any prior notice or greater notice than was given, of Petitioner's efforts to obtain judicial relief.

## **FINDINGS** [Jurisdiction]

The court finds that Respondent:

- $\hfill\square$  has been served with process and notice pursuant to statute.
- $\square$  has entered an appearance in this case.
- is present in court, in person, and/or with counsel, \_
- is in default.
- ☐ has filed an answer.
- □ Finding that Petitioner has diligently attempted to complete service of process, has not been able to serve Respondent, and has given notice by publication (service completed 30 days after the first of three publication notices) Reasonable efforts to accomplish actual service has been shown by evidence or affidavit (740 ILCS 21/60 (c)).

### **FINDINGS** [General]

In granting the following remedies, the Court has considered all relevant factors, including but not limited to the nature, severity and impact on the Petitioner of Respondent's two or more acts of following, monitoring, observing, surveilling, threatening, communicating or interfering or damaging property or pets of Petitioner, including Respondent's concealment of his/her location in order to evade service of process or notice, and the likelihood of danger of future acts of following, monitoring, observing, surveilling, threatening, communicating or interfering or damaging property or pets of the party to be protected.

The Court further finds that:

X

- ⊠ Venue is proper (740 ILCS 21/55).
- ☑ Upon examination of the Verified Petition, Petitioner under oath, and other evidence, Petitioner is a victim of two or more acts of following, monitoring, observing, surveilling, threatening, communicating, or inferring or damaging to property or pets by Respondent.
- ☐ The victim is unable to bring this Petition on his/her own behalf due to age, health, disability, or inaccessibility (740 ILCS 21/15(b)).
- $\hfill\square$  The parties stipulate to a factual basis for the issuance of a Stalking No Contact Order.

#### DEFINITION OF TERMS USED IN THIS STALKING NO CONTACT ORDER

- 1. Stalking No Contact Order: an emergency order or plenary order granted under the Stalking No Contact Order Act (the Act), which includes any remedy authorized by 740 ILCS 21/80.
- 2. Course of Conduct: means two or more acts, including but not limited to acts in which a respondent directly, indirectly, or through third parties, by any action, method, device, or means follows, monitors, observes, surveils, or threatens a person, workplace, school, or place of worship, engages in other contact, or interferes with or damages a person's property or pet. A course of conduct may include contact via electronic communications. The incarceration of a person in penal institution who commits the course of conduct is not a bar to prosecution under this Section.
- 3. Emotional distress: means significant mental suffering, anxiety or alarm.
- 4. **Contact:** includes any contact with the victim, that is initiated or continued without the victim's consent, or that is in disregard of the victim's expressed desire that the contact be avoided or discontinued, including but not limited to being in the physical presence of the victim; appearing within the sight of the victim; approaching or confronting the victim in a public place or on private property; appearing at the workplace or residence of the victim; entering onto or remaining on property owned, leased, or occupied by the victim; placing an object on, or delivering an object to, property owned, leased, or occupied by the victim; or appearing at the prohibited workplace, school, or place of worship.
- 5. **Petitioner:** means any named petitioner for the stalking no contact order or any named victim of stalking on whose behalf the petition is brought. "Petitioner" includes an authorized agent of a place of employment, an authorized agent of a place of worship, or an authorized agent of a school.
- 6. **Reasonable Person:** means a person in the petitioner's circumstances with the petitioner's knowledge of the respondent and the respondent's prior acts.
- 7. **Stalking:** means engaging in a course of conduct directed at a specific person, and he or she knows or should know that this course of conduct would cause a reasonable person to fear for his or her safety, the safety of a workplace, school, or place of worship, or the safety of a third person or suffer emotional distress. Stalking does not include an exercise of the right to free speech or assembly that is otherwise lawful or picketing occurring at the workplace that is otherwise lawful and arises out of a bona fide labor dispute, including any controversy concerning wages, salaries, hours, working conditions or benefits, including health and welfare, sick leave, insurance, and pension or retirement provisions, the making or maintaining of collective bargaining agreements, and the terms to be included in those agreements.
