BONNIE KUROWSKI-ALICEA is organizing this fundraiser.

My name is Bonnie and I am with Fight for Illinois. We just went through vicious election cycles in IL for local elections. During this process we stumbled upon a local hate group called ECW. They are training insurgency and doing hostile takeovers of our local government bodies. This is their picture. They are not watchdogs or news. They are fake news. They slander and defame people, file hundreds of FOIA requests, sue, and do anything to lie, cheat and steal their people in office to have access to information they can sue on, and profit from taxpayers. In the process we are being left with the bill and poorly qualified elected officials which are racist, believe in insurgency, destroy our government, and use us as cash cows.

So we are fighting. We need attorneys and to contact as many government bodies and elected officials as possible. Shining a light is the only way to stop their growth. It's cheaper to support us than the millions they are costing each community.

So far cities impacted are DuPage Township, Avon Township, Pecotonic, Joliet, Algonquin and others. They are already involved in the State races for next year. Please support us as we fight an aggressive battle to save our state.
