NARRATIVE**ORIGINAL**

On 06-20-2022 at Approximately 2125 hours, I Officer Christopher E. Robert #9606 was standing next to my squad car in front of the Police Department sally port talking with [REDACTED]. At approximately 2125 Hours while still speaking with [REDACTED] I observed a white male, later identified as Mr. Robert W. Shelton riding a black Harley Davidson motorcycle pull up in front of the police sally port where [REDACTED] and myself were speaking. Mr. Shelton began to express his concern to me about a vehicle being parked in the police department sally port. He then accelerated in an aggressive manner west bound on Prairie Ave. and turned right on Illinois street. I observed Mr. Shelton disregard the stop sign at Prairie Ave and Illinois Street. I then entered my squad car and began to follow this motorcycle. While traveling north bound on Illinois street I observed Mr. Shelton disregard a second stop sign at Illinois Street and IL Rt-173 and turned left heading west on IL-Rt 173. I then observed Mr. Shelton disregard a third stop sign while turning right (North on Rt-47). At this point I believed that Mr. Shelton was driving in a manner that had no regard to the safety of the public. Mr. Shelton then turned west bound on Bigelow Ave. I activated my emergency lights and conducted a traffic stop on Bigelow Ave west of Rt-47. It should be noted that pedestrians were present at the time of the stop. I requested a backup officer from Richmond Police Department at approximately 2127 and waited to make contact with the driver until Richmond Officer Davies arrived on scene at approximately 2135 Hours.

Officer Davies and I approached the motorcycle and made contact with the motorcycle rider. I advised the rider of the reasons for my stop and asked for his Drivers license, Insurance and asked if he was a concealed carry holder. The rider dismounted from his motorcycle and appeared to have an unsteady gate while walking to the back of his motorcycle where he keeps the proof of insurance that I requested. The Rider identified himself with his Illinois Drivers license([REDACTED]) as Mr. Robert W. Shelton DOB [REDACTED] and provided me with a copy of his Illinois vehicle registration and disclosed to me that he is not a concealed carry holder and does not have any weapons on him at this time. I then reiterated that I would need to see a copy of valid insurance. After numerous attempts Mr. Shelton was able to provide me with proof of valid insurance. I, again explained the reason for my stop to Mr. Shelton, that being the disregarding of 3 stop signs. Mr. Shelton states "I apologize". I asked if there were any mechanical problems with the motorcycle that could have contributed to him being unable to stop the motorcycle. Mr. Shelton advised me that there were no mechanical problems with the motorcycle. While speaking with Mr. Shelton I could smell a strong odor of an alcoholic beverage on his breath and noticed him to have red,

HEBRON POLICE DEPARTMENT

12007 Prairie Ave Hebron IL 60034

REPORT NUMBER: HB-22-000663

watery, and glassy eyes. I asked Mr. Shelton if he has had anything to drink today to which he advised he has had "a couple beers". I then performed a license check with McHenry County Dispatch which returned clear and valid to Mr. Robert W. Shelton. I then returned to my squad car to perform a license plate and drivers license check of Mr. Shelton. I returned to Mr. Shelton and asked him again how many drinks he has had today to which he stated "a few" I asked him how many is a few to which he now replied, "3 or 4". I advised Mr. Shelton that I am concerned that he is not safe to be riding his motorcycle. I advised Mr. Shelton that I would like to perform field sobriety testing to make sure that he is safe to ride his motorcycle. Mr. Shelton agreed to perform these tests.

Mr. Shelton proceeded to the side of his motorcycle where Ofc. Davies and I instructed him to go. At the side of his motorcycle, I began field sobriety testing with the Horizontal Gaze Nystagmus(HGN) test. I first began with my pre checks looking for equal pupil size, resting nystagmus, and equal tracking. Mr. Shelton passed the pre checks and I began with the lack of smooth pursuit test. I conducted the lack of smooth pursuit test first starting with Mr. Shelton's left eye. I did a total of 2 passes per eye. I observed lack of smooth pursuit in both eyes. I then proceeded to check for distinct and sustained nystagmus (jerking and bouncing of the eye) at maximum deviation. I held the stimulus approximately 12-14 inches from Mr. Shelton's nose and began with his left eye starting from center. I moved the stimulus to the left side of Mr. Shelton's head until I observed his left eye go as far as possible. I then held the stimulus in this position for a minimum of 4 seconds. I repeated the process with Mr. Shelton's right eye. I did a total of 2 passes per eye. I observed distinct and sustained nystagmus at maximum deviation in both eyes.

I then checked for onset of nystagmus prior to 45 degrees. I held the stimulus approximately 12-14 inches from Mr. Shelton's nose and slightly above eye level. I then proceeded to move the stimulus to the right checking Mr. Shelton's left eye first starting from center. My focal point was the edge of Mr. Shelton's shoulder, and I moved the stimulus at a speed that would take approximately 4 seconds to reach that focal point. I observed onset of nystagmus prior to 45 degrees in Mr. Shelton's left eye. I then repeated the procedure with Mr. Shelton's right eye. I again observed onset of nystagmus prior to 45 degrees. I did a total of 2 passes for each eye.

While administering the HGN test, I was now able to smell a strong odor of an alcoholic beverage coming from Mr. Shelton.

Total Clues=6

I then proceeded to the next test, the walk and turn. Mr. Shelton advised me prior to beginning the test that he does have medical hardware on the [REDACTED] and [REDACTED]. Mr. Sheldon also advised me that his right ankle hurts but did not say he could not take the test. Referencing from my ISP Standardized Field Sobriety Notebook when needed, I instructed and demonstrated the starting position for Mr. Shelton.

HEBRON POLICE DEPARTMENT

12007 Prairie Ave Hebron IL 60034

REPORT NUMBER: HB-22-000663

I then advised him to maintain this position until I have completed the instructions. I asked if Mr. Shelton understood my instructions to which he answered that he did understand. As I continued giving the instructions referencing my ISP SFSTs Notebook when needed, I observed as Mr. Shelton stepped out of the starting position 2 times by placing his right foot to the side of his left foot and was swaying side to side during the instructions. Mr. Shelton was able to get back into the starting position both times and I then finished my instructions. I continued my instructions referencing my ISP SFSTs Notebook when needed and myself and Ofc. Davies both demonstrated the test for Mr. Shelton numerous times. I then advised Mr. Shelton to keep his arms at his sides at all times, watch his feet at all times, and count his steps out loud. I also advised him once he started walking, don't stop until he has completed the test. I asked Mr. Shelton if he understood my instructions. He stated he did.

I observed as Mr. Shelton missed touching heel to toe by more than 1 half inch during outbound steps 1,2,3,4,7,8 and 9. I also observed Mr. Shelton missed touching heel to toe by more than 1 half inch during returning steps 3,4,5,6,7,8 and 9.

I observed Mr. Shelton Step off the line during outbound steps 1,2 and 3 I also observed him step off the line during returning steps 7,8 and 9.

I observed Mr. Shelton use his arms to help him balance by lifting his arms more than 6 inch's during outward steps 1,2 and 3 and returning steps 7,8 and 9.

Total Clues=4

I then proceeded to the final test, the one leg stand. At this time, referencing from my ISP SFSTs Notebook when needed, I instructed and demonstrated the test for Mr. Shelton and asked if he understood my instructions. Referencing from my ISP Standardized Field Sobriety Notebook when needed, Officer Davies and I instructed and demonstrated the starting position for Mr. Shelton. I then advised him to maintain this position until I have completed the instructions. I asked Mr. Shelton if he understood my instructions to which he answered Yes. As I continued giving the instructions referencing my ISP SFSTs Notebook when needed, I observed as Mr. Shelton was swaying side to side during the instructions but was able to maintain foot placement during the instructions. I continued my instructions referencing my ISP SFSTs Notebook when needed and myself and Ofc. Davies both demonstrated the test for Mr. Shelton numerous times. I then advised Mr. Shelton to keep his arms at his sides at all times, raise either foot 6 inches off the ground, keeping the foot parallel to the ground, watch his raised foot at all times, and count out loud in the following manner one thousand one, one thousand two, one thousand three and so on until I tell him to stop. I asked Mr. Shelton if he understood my instructions. He stated he did.

HEBRON POLICE DEPARTMENT

12007 Prairie Ave Hebron IL 60034

REPORT NUMBER: HB-22-000663

Mr. Shelton chose to stand on his right leg and raise his left leg during the test.

Mr. Shelton was swaying side to side during the test at counts one thousand four through one thousand fourteen.

Mr. Shelton used his arms to balance by holding his arm more than 6 inches from his sides throughout the entirety of this test.

Mr. Shelton began hopping at count one thousand fourteen (26 Seconds after the test start time)

Mr. Shelton Placed his left foot onto the ground while performing the test at count one thousand fourteen (28 Seconds after the test start time)

Total Clues=4

I then Asked Mr. Shelton if he would be willing to submit to a PBT (Preliminary Breath Test). To which Mr. Shelton replied OK. Ofc. Davies instructed Mr. Shelton how to provide a breath sample with the PBT. A reading of .09 was obtained from Mr. Shelton's breath sample.

At this time, I advised Mr. Shelton that I was placing him under arrest for driving under the influence of alcohol and reckless driving. I placed Mr. Shelton in handcuffs, checking the handcuffs for proper fit and double locked the handcuffs. I then performed a search of Mr. Shelton with no contraband or weapons found. I then placed Mr. Shelton in the backseat of my unmarked squad car where he was also seat belted. I then advised Mchenry County Dispatch that I would need the next non preference tow to our location. Rex Towing arrived on scene and removed the vehicle. Mr. Shelton was then transported to the HBPD to begin processing.

Once back at the HBPD, Mr. Shelton was secured in the holding cell. Mr. Shelton was then moved to the processing room where Mr. Shelton's handcuffs were removed as Mr. Shelton stated they were

HEBRON POLICE DEPARTMENT

12007 Prairie Ave Hebron IL 60034

REPORT NUMBER: HB-22-000663

beginning to feel tight. Ofc. Davies began a 20-minute observation time (See Officer Davies Report Richmond Police Case # RM-22-002682) in the processing room while I read his Warning to Motorist at 2300hrs. Ofc. Davies then asked Mr. Shelton if he wanted to take the State Breath Test to which he stated he would like to speak with his attorney prior to providing a breath sample. While on the phone with who Mr. Shelton verbally stated is his attorney, Mr. Shelton stated at approximately 2325 hours "Under the advice of my attorney I will not be giving a breath sample". Ofc. Davies then asked an additional 2 times throughout documenting the refusal via the state certified breath alcohol machine if Mr. Shelton would like to refuse to which he replied both times that he refuses.

I advised Mr. Shelton that I would need to obtain his signatures on citations, summary suspension form and I-Bond signatures on citations. After conversing with "His attorney" (See Supplemental report) Mr. Shelton provided his signatures as bond and his signature was obtained on summary suspension forms.

Mr. Shelton was photographed and fingerprinted

Mr. Shelton was advised of his court date 07-28-2022 8:30AM at the McHenry County Court House room #104 located at 2200 N. Seminary Ave. Woodstock, IL 60098 for the following charges and was released on his own recognizance.
