Amy

In January I submitted a comprehensive final report to the VAC board, who took a month to review it and then approved unanimously at their February meeting. With that approval, my obligations to VAC have been fulfilled. Per attorneys I've consulted, I am not expected to produce documentation beyond what I have already produced. To Chris' point, **I am not a contractor**, and we had no contractual language in place regarding the interior workings of how Hey G functions or how we completed the work agreed upon between Hey G and the VAC.

Good afternoon,

I was just taking a minute to follow up on the request I forwarded to you on Wednesday morning. Per the State's Attorney, we need to submit receipts for costs from the contract dated 4/30/21-12/31/21. I am working on the FOIA today, and would like to satisfy this.

Please see below per Chris Wise: Under FOIA, any records kept by a contractor who does work for a government body subject to the Act are also subject to the Act. So we need to ask Geriann if she has any documents that satisfy the request of Mr. Hammond's second paragraph requesting documents.

Thanks,
Amy

Good morning,
I received another request yesterday. Do you have any documentation to satisfy the request below? I wanted to send to you so we can get ahead of it.

Next FOIA request: Proof of payment by showing receipts from "Hey G Consulting" (Gerlann Wiesbrook) for the stated costs for the contract from 4/30/21 – 12/31/21. This includes payments to employees, subcontractors, payment to Gerlann Wiesbrook, payment to advertisers, payment to anyone that is 1099, payment to social media platforms, and any other organization/person/business/entity/fee. I want accounting proof the money was spent.

Thanks,
Amy

Please review the attached new request received today:

Per the social media contract given on Dec 16th, by Hey G! Section 2.1 states "Client" (Veterans assistance commission) "Owns all work product". If the veterans assistance commission owns the material then it is public record. The memo of understanding you just gave me specifically states videos were made for the "public" for specific demographics and "more faq/ad videos" to the general public. On Dec 9, 2020 to the CARES Committee it was said By Kristi McNichol that "Hey G Consulting created custom graphics, staff videos, and shared collaborative partner agency programs". I have been unable to locate these videos through a search.

I would like to reword my FOIA request. I would like to see what graphic(s) was/were created as noted in the excel spread sheet from June 16th totaling \$32,500, and noted by Kristi McNichol on 12/9/2020 to the CARES Committee.

I would like to know where I can find videos, "5- videos tailored to demographics stated above", "12- More FAQ/Ad videos", that were noted under the Memo of understanding sent on Dec 22nd. I also want to know where I can find the videos noted by Kristi McNichol on 12/9/2020 to the CARES committee. If none were created or do not exist then that is what I need to know.

Please review the attached new request received today:

Per the social media contract given on Dec 16th, by Hey G!. Section 2.1 states "Client" (Veterans assistance commission) "Owns all work product". If the veterans assistance commission owns the material then it is public record. The memo of understanding you just gave me specifically states videos were made for the "public" for specific demographics and "more faq/ad videos" to the general public. On Dec 9, 2020 to the CARES Committee it was said By Kristi McNichol that " Hey G Consulting created custom graphics, staff videos, and shared collaborative partner agency programs". I have been unable to locate these videos through a search.

I would like to reword my FOIA request. I would like to see what graphic(s) was/were created as noted in the excel spread sheet from June 16th totaling \$32,500, and noted by Kristi McNichol on 12/9/2020 to the CARES Committee.

I would like to know where I can find videos; "5- videos tailored to demographics stated above", "12- More FAQ/Ad videos", that were noted under the Memo of understanding sent on Dec 22nd. I also want to know where I can find the videos noted by Kristi McNichol on 12/9/2020 to the CARES committee. If none were created or do not exist then that is what I need to know.

I just finished working on the response with Kristi. She would like you to change the title of the impact report to "Marketing Campaign 2020-2021 Report". I am going to be sending that along with directions to the social media access in response. Please send me the updated report when you change the title.

Thanks,
Amy
