Dear Mr. Silver,

We did hold our Truth in Taxation Meeting on the Columbus Day holiday in violation of OMA. We have revised our Levy Ordinances to under the 5% increase of the previous years levy aggregate and therefore do not need to have a Truth in Taxation hearing and will file the revised ordinances accordingly.

I assume that you will not need anything more in response to your request for information but if you do please let me know and I will respond as needed.

Thank you,

Brian Harmon
