

Detective Malloch –

Enclosed you will find the invoices of Central Culvert and Tile of orders that were picked up at the same time as Mahomet Township Road District orders during their fiscal year of 4-1-2020 to 3-31-2021.

There are two Mahomet Township Road District invoices that stand alone for the following reasons.

- 1. 5/14/20 MTRD ordered a 96" diameter pipe. No other pipe can fit on the trailer with it, but CCT still picked the order up for MTRD.**
- 2. 11/25/20 MTRD ordered an arch pipe. The arch pipe is a special pipe and due to harvest CCT was not placing any orders. CCT still went and picked up the pipe for MTRD.**

One other item I failed to mention when we spoke on Friday. CCT does not only order pipe when MTRD orders pipe. During the time period of 2012 to 2021 CCT ordered over \$3,000,000.00 in pipe and tile from Metal Culverts and ADS.

Sincerely,

[REDACTED]
