Human Resources Manager
Sangamon Valley Public Water District

May 04, 2022

Dear Lindsey Wallen,

I hereby resign from my position as Treasurer, effective May 16, 2022. I am leaving this employment because of the following reasons:

1. I was never paid for the position as Treasurer
2. Previous and current board member are on a witch hunt to harm my reputation
3. Potential conflict of interest with my General Manager job title
4. Past Water District board financial decisions
5. Hostile work environment.

I have calculated from Water District documented paid salary of treasurer from 1972 for my years as treasurer from April 2008 through May 2022 and figure if properly paid I would of received \$129,580.08 in total compensation. I was recently called greedy by Bob Buchanan who really is the greedy one?

Sincerely,

Kerry Gifford
