Dear Dr. Larson:

Please be advised that until further notice you are being placed on paid administrative leave pursuant to Board Policy 5:240 *Professional Personnel - Suspension* as the Board of Education investigates the final letter related to the ISBE audit, information related to the grand jury subpoena received by the Board of Education, and the search of your residence by federal agents. Due to the nature of the findings in the ISBE audit and the subpoena / search, you shall remain on paid administrative leave while an investigation into these matters can be conducted. While you are on paid administrative leave, it will be your responsibility to provide the Board of Education and unit office with your contact information in case we need to reach you for any reason.

Due to the nature of these allegations, and the uncertainty of the outcome of this matter, you are not to be on school district property or at any school district activity or event without my express written permission.

Sincerely,

Kevin Knoepfel  
President  
Board of Education
