Effective Date of Disposition	03/19/2024

End Date of Disposition	No disposition end date scheduled at this time. Discipline continues until further order of the Court.

Definition of Disposition Disbarment on consent is imposed by the Supreme Court based upon the lawyer's filing of a motion to strike his or her name from the roll of attorneys in face of disciplinary charges that are set forth in the Administrator's Statement of Charges. The disbarred lawyer is not authorized to practice law during the period of the disbarment on consent and may not return to the practice of law unless and until the lawyer has demonstrated his or her rehabilitation, good character, and current knowledge of the law in a subsequent reinstatement case, which may not be filed until three years after the effective date of the disbarment on consent.

Case Summary Mr. Allen, who was licensed in 2017, was disbarred on consent. He pled guilty to two counts of attempt official misconduct for incidents that occurred while he was an Assistant State's Attorney in Coles County. He solicited sexual acts from two criminal defendants by telling them that they would receive preferential treatment in their cases in exchange for the sexual acts.
