Yes, I am just sending the Response as a springboard for you. If the normal procedure is for our office to efile the documents, that is fine but otherwise, anyone can get it efiled just let us know what you need us to do.

Thank you so much, You're a Rockstar!

Thank you for doing this. Much appreciated. I see that the Motion to Quash Subpoena has been filed already. The response to the motion to dismiss has not, correct? I have made a couple of small changes to the response and will sign and get to Freda to file if that works? Thanks again.

Good afternoon! I'm now the proud owner of this case. I got the file Monday. Attached is my Entry of Appearance. Would you mind notarizing and filing for me? As always, THANK YOU for everything.
