TODD GOEBEL, phone number (217) 522-9010, attorney for ALAN SPESARD, contacted TFO Matthew Barber on May 17, 2021. GOEBEL believed the matter involving his client, SPESARD, was not a criminal matter. GOEBEL and SPESARD would only speak to the investigators when it was advantageous to SPESARD. Through their conversations with the former state's attorney and other county board members, GOEBEL didn't believe the matter was a problem since previous County Engineers had companies that provided services to the county.
