Scott,

Here are the documents you need. The old TR cases have envelopes but the new cases don't. And I included the case summaries. They are like the old docket sheets/half sheets. I thought they might find these useful.

Let me know if you need anything else.

I will work on this tomorrow. He has a fair amount of cases. Attached is his history. And to confirm you want the domestic battery cases too?

We did send the full 2020CF410 case on 10/10. Do you need that one again?
