Subject: FOIA Request

In accordance with the Freedom of Information Act of Illinois, I am requesting the following public records.

1. A copy of the "calendar book" used by the Assessor for the years 2022, 2023, 2024, and 2025. This record was referenced in the expense reports.
2. A copy of the ASSESSOR SUBMITTED Budget. I am not seeking the Multi-Township Budget. State law requires the Assessor to submit a budget to the Multi-Township Board. I am seeking that budget.

1.) Enclosed. The "calendar book" referenced above is my own personal yearly calendar planner. The redacted portions are my personal info which includes my personal HIPPA information and is not relevant to the request.

**2.) Unfortunately, I was unaware that it is a State Law for assessors to submit annual budgets to their multi-township boards. No one ever informed me that I was required to submit one, therefore, I did not submit any.
I will submit one going forward.**

I qualify as both media and non-profit under the definitions in Section 2 (c-10) ("Commercial purpose"), Section 2 (f) ("News media"), Section 2 (g) ("Recurrent requester"), and Section 2 (h) ("Voluminous request") of the Freedom of Information Act, for the purposes of being exempt to the provisions of Section 3.1 (Requests or commercial purposes), Section 3.2 (Recurrent requesters), Section 3.6 (Voluminous requests), and Section 6 (Authority to charge fees).

I request expedited processing on the basis of an urgency to inform the citizens and taxpayers of Illinois about their government's activities. If any element of this request is denied in whole or in part, I ask that you justify all withholdings individually by reference to specific exemptions of the Act. Please provide all responsive information to me electronically.

I request a rolling production of records, such that the public body furnishes records to my attention as soon as they are identified, preferably electronically, but as needed then to my attention, at the below address. If you have any questions please do not hesitate to contact me. Rolling production is not to be perceived as an agreement to extend the time frame for compliance under FOIA.

If you are not the FOIA officer responsible for any part of this request you are required by law to forward it to the appropriate FOIA officer.
