Dear Sir/Madam,

We hope this message finds you well. We are reaching out on behalf of our client, **Tiffany Henyard** regarding the URL posting mentioned below. We kindly request the removal of the specified URLs. Please note that we are not attorneys. Ms. Henyard has experienced significant distress and negative consequences in both her personal and professional life. The damage caused by this article has affected her relationships, employment opportunities, and overall well-being.

Tiffany Henyard is a dedicated public servant who has always prioritized the well-being of her community. As mayor, she worked tirelessly to uplift residents, improve local programs, and advocate for fairness, safety, and progress. Throughout her time in office, Tiffany demonstrated strong leadership, resilience, and an unwavering commitment to serving those who entrusted her with this responsibility.

Recently, Tiffany faced a series of public accusations and legal claims that have since been entirely dismissed. It is important to note that she has never been arrested, never formally charged with any crime, and was not held in contempt of court. Despite this, the lingering presence of misleading and outdated information online continues to cause her significant personal and professional distress. The continued circulation of these false narratives has not only affected her reputation but also taken an emotional toll on her and those closest to her.

Tiffany firmly believes that much of what she has endured stems from racially motivated scrutiny and unwarranted persecution. As a woman of color in public office, she has faced disproportionate criticism and judgment that far exceed the bounds of fairness. Nevertheless, she remains steadfast in her belief in justice and transparency.

Tiffany is now following all appropriate legal channels to ensure these issues are addressed properly and efficiently. Her goal is not only to clear her name but also to stand as an example of perseverance in the face of unjust treatment. Tiffany continues to focus on serving her community with integrity, courage, and compassion—values that have always defined her leadership.
