Dear Ms. Firnhaber:

Please consider this letter confirmation of the ethics complaint filed by you on March 18, 2026. The Shelby County ethics ordinance requires that you be sent confirmation of receipt within three business days.

As assistant state's attorney, I am the Ethics Advisor for the county. I believe there is a vacancy on the ethics commission due to the relocation of Judge Michael Kiley. That vacancy should be filled following the April County board meeting.

Thank you!
