**VERIFIED COMPLAINT FOR DECLARATORY JUDGMENT**

NOW COMES, Plaintiff, CITIZENS FOR HIGGINS, by and through its attorneys Thomas G. DeVore, and DeVore Law Offices, LLC, and for their Verified Complaint for Declaratory Judgment against Defendants, ILLINOIS REPUBLICAN PARTY, KATHLEEN SALVI, in her capacity as Chairperson of the Illinois Republican Party, JOHN FOGARTY, JR., MATTHEW JANES, HOUSE REPUBLICAN ORGANIZATION, AMY ELIK, in her capacity as Chairperson of the House Republican Organization, and CITIZENS FOR HAMMOND, hereby alleges as follows:

**PARTY PLAINTIFFS**

1. Citizens for Higgins (hereinafter referred to as “Higgins”) is a duly organized candidate political committee created under the laws of Illinois for the purpose to elect Joshua Higgins to the office of state representative for the 94<sup>th</sup> Illinois House District.

**PARTY DEFENDANTS**

2. The Illinois Republican Party (hereinafter referred to as the “ILGOP”) is an Illinois not-for-

profit corporation and statewide political party committee created under the laws of Illinois for the purpose of overseeing the statewide operations and activities of the Illinois Republican Party structure.

3. Mrs. Kathleen Salvi (hereinafter referred to as “Salvi”) is the duly elected Chairperson of the ILGOP.
4. Mr. John Fogarty, Jr. (hereinafter referred to as “Fogarty”) is legal counsel and advisor to the ILGOP.
5. Mr. Matthew Janes (hereinafter referred to as “Janes”) is the executive director of the ILGOP.
6. The House Republican Organization (hereinafter referred to as the “HRO”) is an Illinois not-for-profit corporation and political party committee which serves as the legislative caucus for Illinois House Republicans.
7. Mrs. Amy Elik (hereinafter referred to as “Elik”) is the Chairperson of the HRO.
8. Citizens for Hammond (hereinafter referred to as “Hammond”) is a duly organized candidate political committee created under the laws of Illinois for the purpose to elect Norine Hammond to the office of state representative for the 94<sup>th</sup> Illinois House District.

### **RELEVANT LEGAL FRAMEWORK**

9. The United States Postal Service has promulgated standards which provide the legal framework for which a non-profit mail account may be lawfully utilized. (hereinafter referred to as USPS Standards) (See Exhibit A as well as the attached link)  
<https://pe.usps.com/archive/html/dmmarchive20080512/703.htm>
10. Only organizations that meet the standards in 1.2, *Qualified Nonprofit Organizations*, or 1.3, *Qualified Political Committees and State or Local Voting Registration Officials*, and that have received specific authorization from the USPS may mail eligible matter at any

Nonprofit Standard Mail price, including Nonprofit Enhanced Carrier Route prices. (See Section 1.1.1 of the USPS Standards)

11. A state committee of a political party is a qualified organization. (See Section 1.1.3(b) of the USPS Standards)

12. Political organizations other than those listed in 1.1.3 of the USPS Standards are not eligible organizations. (See Section 1.1.4 of the USPS Standards)

13. A qualifying political committee under 1.3 may mail election-related materials, such as candidate endorsements, at the Nonprofit Standard Mail prices if the materials are exclusively of the qualifying political committee. Political mailings may not be made at the Nonprofit Standard Mail prices when a political candidate or anyone else not authorized to mail at the Nonprofit Standard Mail prices assists the qualifying political committee with the preparation or mailing of such materials, or pays any of the costs of preparation or mailing, or provides any consideration to the qualifying political committee in return for the mailing being made. The following are examples of political mailings that would not qualify for mailing at the Nonprofit Standard Mail prices:

a. A mailing containing material identified as having been paid for by the campaign committee or treasurer of an individual candidate.

b. A mailing containing circulars, flyers, brochures, or other printed matter prepared or printed by a political candidate or his or her campaign organization.

c. A mailing on which the postage is paid for by a political candidate or his or her campaign organization.

d. A mailing made on behalf of a candidate in return for a contribution to the qualifying political committee.

(See Section 1.6.10 of the USPS Standards)

**FACTUAL BACKGROUND**

14. The ILGOP is a qualified political committee under USPS Standards which has been issued a nonprofit mail indicia.
15. Hammond is not a qualified political committee under USPS Standards and is not authorized to send political mail utilizing a nonprofit mail indicia.
16. HRO is not a qualified political committee under USPS Standards and is not authorized to send political mail utilizing a nonprofit mail indicia.
17. It is a long-standing practice for the ILGOP to allow non-qualified political committees of their choosing to have access to their nonprofit mail indicia to send political mail at discounted rates.
18. The nonprofit mail rates are significantly reduced as compared to other mail rates. (See Page 18 of Exhibit B)
19. Higgins mail rate is .41 cents per mailer.
20. The ILGOP is furtive in its efforts to hide their concerted scheme of allowing these non-qualified political committees unlawful access to their nonprofit mail indicia.
21. Between April 2025 and January 2026, Hammond transferred \$32,780 of funds to the HRO.
22. In turn, on January 16, 2026, the HRO advanced \$50,000 in funds to the ILGOP.
23. There is an agreement between the ILGOP and HRO, that the \$50,000 in funds which the HRO transferred to the ILGOP is to be earmarked to pay for, or otherwise provided consideration, to the ILGOP for sending political mail on behalf of, *inter alia*, Hammond.
24. On or about January 26, 2026, the ILGOP sent out a mailer on behalf of Hammond. (See Exhibit C)

25. Exhibit C would have been approved by Fogarty and Janes before being sent to a mail house for production and mailing.
26. Exhibit C contains the ILGOP's nonprofit mail indicia.
27. The ILGOP sending Exhibit C on behalf of Hammond was in consideration for the \$50,000 advanced by the HRO.
28. The ILGOP would not have mailed Exhibit C if not for having received the advance of \$50,000 from the HRO.
29. If either Hammond or the HRO would have mailed Exhibit C directly themselves, the cost of doing so would have been significantly higher as neither political committee is qualified under USPS Standards to send mail at the nonprofit discounted rate.

**COUNT I  
DECLARATORY JUDGMENT  
THE ILLINOIS REPUBLICAN PARTY VIOLATED  
PROMULGATED FEDERAL MAIL STANDARDS  
IN PRIMARY RACE AGAINST CITIZENS FOR HIGGINS**

30. Plaintiff incorporates paragraphs 1 through 29 as if each had been specifically plead herein.
31. Higgins and Hammond are primary opponents in the Republican primary for the 94<sup>th</sup> House District.
32. Hammond is the incumbent and Higgins is a challenger.
33. Hammond is one of the non-qualified political committees the ILGOP, Salvi, Fogarty and Janes decided to give unlawful access to the ILGOP's nonprofit mail indicia.
34. Exhibit C is one of the mail pieces sent to the voters of the 94<sup>th</sup> House District in support of Hammond.
35. Higgins has also sent political mail pieces to the electorate of the 94<sup>th</sup> House District. (See Exhibit D)

36. Higgins has paid standard mail rates of over .40 cents per mailer just as any other candidate political committee, as Higgins is not an eligible organization under the USPS Standards authorized to utilize nonprofit mail rates.
37. Neither Hammond, nor the HRO, are eligible organization under the USPS Standards authorized to send political mail at the discounted rates.
38. However, the ILGOP, Salvi, Fogarty and Janes have acted in concert with Hammond, Elik, and the HRO, to allow the latter access to use the ILGOP nonprofit mail indicia which results in the Hammond mailer being sent for a rate of less than .20 cents each.
39. The \$50,000 of funds transferred to the ILGOP from the HRO was not a bonafide campaign contribution.<sup>1</sup>
40. The \$50,000 of funds transferred to the ILGOP from the HRO was specifically for the purpose of advancing funds to the ILGOP to cover the cost, or otherwise provided consideration, of the political mail to be sent out for, *inter alia*, Hammond.
41. Political mailings, such as the one for Hammond attached as Exhibit C, could not lawfully be sent utilizing the ILGOP nonprofit mail indicia given Hammond, and/or the HRO, neither of which is a qualified political committee under USPS Standards, paid for the costs of preparation and mailing, or otherwise provided consideration to the ILGOP in return for the mailing being made.
42. The ILGOP, HRO, Hammond, Salvi, Janes, Fogarty and Elik acted in concert, in that each knowingly participated or otherwise acquiesced to, circumventing federal mail law with this scheme.

---

<sup>1</sup> While it is not necessary to vet the full extent of this scheme in this case at bar, the financial disclosures of the ILGOP and the HRO evidences these political committees have knowingly and intentionally funneled hundreds of thousands, if not millions of dollars, an election cycle through the ILGOP nonprofit mail indicia, which has the resulting impact of costing the USPS hundreds of thousands of dollars in lost mail revenue.

43. As a result, Higgins is being harmed as its campaign must pay full mail rates to send political mailers while Hammond enjoys the benefit of significantly discounted rates for her political mail, which it is not allowed by law.
44. An actual controversy exists between the parties which would be terminated in whole or in part by a declaratory judgment.
45. An immediate and definitive determination is necessary to clarify the rights and interests of all parties affected.

WHEREFORE, Plaintiff, herein requests that this court enter an Order:

- A. Finding the ILGOP is a qualified political committee under the federal mail standards;
- B. Finding the HRO and Hammond are not qualified political committees under federal mail standards;
- C. Finding the HRO transferred \$50,000 to the ILGOP to, *inter alia*, cover the mail costs, or otherwise provide consideration to the ILGOP, for sending the mailer on behalf of Hammond which is attached as Exhibit C to this complaint;
- D. Declaring the Defendants concerted actions violate federal mail standard 1.6.10;
- E. Entering an order enjoining the ILGOP, Salvi, Fogarty and Janes from continuing to authorize and send political mail on behalf of Hammond which mail is paid for, or the consideration for sending, has any connection to funds received from Hammond or the HRO in violation of federal mail standard 1.6.10;
- F. Entering an order enjoining Hammond from continuing to directly or indirectly transfer funds to the ILGOP for the purpose of the ILGOP sending political mail for Hammond in violation of federal mail standard 1.6.10;
- G. Entering an order enjoining the HRO and Elik from continuing to transfer funds to the ILGOP

for the purpose of the ILGOP sending political mail for Hammond in violation of federal mail standard 1.6.10;

- H. That the Court grant the Plaintiff their costs;
- I. That the Court grant such other and further relief as is just and proper.

Respectfully submitted,

Nonprofit USPS Marketing Mail prices may not be used for the entry of material that advertises, promotes, offers, or, for a fee or consideration, recommends, describes, or announces the availability of:

- a. Any credit, debit, or charge card or similar financial instrument or account, provided by or through an arrangement with any person or organization not authorized to mail at the Nonprofit USPS Marketing Mail prices at the entry Post Office.

- c. Any travel arrangement, unless the organization promoting the arrangement is authorized to mail at the Nonprofit USPS Marketing Mail prices at the entry Post Office; the travel contributes substantially (aside from the cultivation of members, donors, or supporters, or the acquisition of income or funds) to one or more of the purposes that constitute the basis for the organization's authorization to mail at the Nonprofit USPS Marketing Mail prices; and the arrangement is designed for and primarily promoted to the members, donors, supporters, or beneficiaries of that organization.

- a. Except as specified in [1.6.5c](#), the phrase *not generally otherwise commercially available* applies to the actual coverage stated in an insurance policy, without regard to the amount of the premiums, the underwriting practices, and the financial condition of the insurer. When comparisons are made with other policies, consideration is given to coverage benefits, limitations, and exclusions, and to the availability of coverage to the

targeted recipients. When insurance policy coverages are compared to determine whether coverage in a policy offered by an organization is not generally otherwise commercially available, the comparison is based on the specific characteristics of the mailpiece recipients (e.g., geographic location or demographics).

- b. Except as specified in [1.6.5c](#), the types of insurance considered generally otherwise commercially available include, but are not limited to, homeowner's, property, casualty, marine, professional liability (including malpractice), travel, health, life, airplane, automobile, truck, motorhome, motorbike, motorcycle, boat, accidental death, accidental dismemberment, Medicare supplement (Medigap), catastrophic care, nursing home, and hospital indemnity insurance.

  2. The coverage is provided or promoted by the nonprofit organization in a mailing to its members, donors, supporters, or beneficiaries in such a way that the members, donors, supporters, or beneficiaries may make tax-deductible donations to the nonprofit organization of their proportional shares of any income in excess of costs that the nonprofit organization receives from the purchase of the coverage by its members, donors, supporters, or beneficiaries.

### **1.6.6 Definitions, Substantially Related Advertising Products**

For the standards in [1.6.4d](#):

- a. Standards established by the Internal Revenue Service (IRS) and the courts with respect to 26 USC 513(a) and (c) of the Internal Revenue Code are used to determine whether the sale or provision of an advertised product or service, whether sold or offered by the organization or by another party, is substantially related to the qualifying purposes of an organization. (Advertisements in USPS Marketing Mail material that meet the content requirements for a periodical publication need not meet the substantially related standard to be mailable at the Nonprofit USPS Marketing Mail prices. See [1.6.8](#).)
- b. To be substantially related, the sale of the product or the provision of the service must contribute importantly to the accomplishment of one or more of the qualifying purposes of the organization. This means that the sale of the product or providing of the service must be directly related to accomplishing one or more of the purposes on which the organization's authorization to mail at the Nonprofit USPS Marketing Mail prices is based. The sale of the product or providing of the service must have a causal relationship to the achievement of the exempt purposes (other than the production of income) of the authorized organization. (Income produced from selling an advertised

### 703.1.6.6

product or providing a service does not make such action a substantially related activity, even if the income will be used to accomplish the purpose or purposes of the authorized organization.) See 26 C.F.R. section 1.513-1(d).

1. If an organization pays Unrelated Business Income Tax (UBIT) on the income from the sale of a product or the provision of a service, that activity is by IRS definition not substantially related. See 26 U.S.C. section 512. The fact that an organization does not pay such tax, however, does not establish that the activity is substantially related because other criteria may exempt the organization from payment. See 26 C.F.R. section 1.513-1(e).
  2. Third-party paid advertisements may be included in material mailed at the Nonprofit USPS Marketing Mail prices if the products or services advertised are substantially related to one or more of the purposes for which the organization is authorized to mail at the Nonprofit USPS Marketing Mail prices. However, if the material contains one or more advertisements that are not substantially related, then the material is not eligible for the Nonprofit USPS Marketing Mail prices unless it is part of material that meets the content requirements described in [1.6.8](#) and is not disqualified from using the Nonprofit USPS Marketing Mail prices under another provision.
- c. Announcements of activities (e.g., bake sale, car wash, charity auction, oratorical contest) are considered substantially related if substantially all the work is conducted by the members or supporters of an authorized organization without compensation. See 26 U.S.C. section 513(a)(1); 26 C.F.R. section 1.513-1(e)(1).
  - d. Advertisements for products and services, including products and services offered as prizes or premiums, are considered substantially related if the products and services are received by an authorized organization as gifts or contributions. See 26 U.S.C. section 513(a)(3); 26 C.F.R. section 1.513-1(e)(3).
  - e. An advertisement, promotion, offer, or subscription order form for a periodical publication meeting the eligibility criteria in [207.4.0](#) and published by one of the types of nonprofit organizations listed in [1.2](#) is mailable at the Nonprofit USPS Marketing Mail prices.
  - f. Unless the mailing is ineligible for the Nonprofit USPS Marketing Mail prices for other reasons, mailings will be accepted at the Nonprofit USPS Marketing Mail prices upon certification that income derived from the sale of products or services advertised in the mailing is not subject to the Unrelated Business Income Tax (UBIT) described at 26 U.S.C. section 512, and that each of the products or services is substantially related to the nonprofit organization's qualifying purpose.

### 1.6.7 Other Matter

An authorized nonprofit organization's material is not disqualified from being mailed at the Nonprofit USPS Marketing Mail prices solely because that material contains, but is not primarily devoted to:

- a. Acknowledgments of organizations or individuals who have made donations to the authorized organization.
- b. References to and a response card or other instructions for making inquiries about services or benefits available from membership in the authorized organization, if advertising, promotional, or application materials for such services or benefits are not included. For purposes of this section, descriptions of membership benefits available as a part of membership, including the use of adjectives, terms, conditions, and brand names, are permissible when they are a minor part of a solicitation or renewal request for membership payments. For purposes of this provision, "minor" is defined as "less than half." Measurement is made in accordance with [207.17.2.2](#). The solicitation or renewal request in which, to a minor degree, membership benefits may be promoted is considered to include only a printed letter to prospective members or current members whose membership is about to expire, and not to any separate, distinct, or independent brochure, circular, flyer, or other documents. Such separate documents will be considered advertising if they contain any advertising, promotional, or application materials. *Exception:* A separate document prepared by the qualifying organization, consisting of one sheet, will be considered to be part of the solicitation letter if it describes the organization's membership benefits and the solicitation letter does not describe the organization's benefits but instead refers the reader to the separate document.

### 1.6.8 Periodical Publication Content Requirements

Advertisements for products and services in material that meets the content requirements for a periodical publication are mailable at the Nonprofit USPS Marketing Mail prices. The material mailed must meet these standards:

- a. Have a title. The title must be printed on the front cover page in a style and size of type that make it distinguishable from other information on the front cover page.
- b. Be formed of printed sheets. (It may not be reproduced by stencil, mimeograph, or hectograph. Reproduction by any other process is permitted.) Any style of type may be used.
- c. Contain an identification statement on one of the first five pages of the publication that includes these elements:
  1. Title.

**9.1 Basic Information**

**9.1.1 General**

When mail of a higher price is enclosed with mail of a lower price, the postage on the entire piece is charged at the higher price, except under [9.2](#) through [9.6](#).

**9.1.2 Concealing Enclosures**

Mailers are subject to a fine if they conceal letters or other mail of a higher price in mail sent at a lower price without paying the correct postage on the enclosures (18 USC 1723).

### 9.2 Eligibility for Attachments of Different Classes

#### 9.2.1 First-Class Mail or USPS Marketing Mail

Letters or other pieces of First-Class Mail or USPS Marketing Mail may be placed in an envelope and attached to the address side of a Periodicals, USPS Marketing Mail, Parcel Select, or Package Services piece. Combination envelopes or containers with separate parts for the two classes of mail may be used.

#### 9.2.2 Price Qualification

If a Periodicals, USPS Marketing Mail, Parcel Select, or Package Services host piece qualifies for:

- a. A presort discount, a First-Class Mail or USPS Marketing Mail attachment is eligible for the comparable First-Class Mail or USPS Marketing Mail presort price. The attachment need not meet the volume standard that would apply if mailed separately.
- b. An automation price, a First-Class Mail or USPS Marketing Mail attachment is eligible for the comparable First-Class Mail or USPS Marketing Mail price. The attachment need not meet the volume standards that would apply if mailed separately. An automation price may not be claimed for an attachment unless a similar automation price is claimed for the host piece. If the attachment makes the host piece incompatible with automation standards, neither the host piece nor the attachment qualifies for an automation price.
- c. A carrier route price, a First-Class Mail or USPS Marketing Mail attachment is eligible for the comparable First-Class Mail or USPS Marketing Mail price if every host piece for which the carrier route price is claimed has a First-Class Mail or USPS Marketing Mail attachment. The attachment need not meet the volume standard that would apply if mailed separately. A carrier route price may not be claimed for an attachment unless a similar price is claimed for the host piece.
- d. A destination entry price (DDU, DSCF, DADC, or DNDC), a USPS Marketing Mail attachment is eligible for the comparable destination entry price. The attachment need not meet the volume standard that would apply if mailed separately. A price including a destination entry discount may not be claimed for an attachment unless a similar price is available and claimed for the host piece.

### 9.3 Eligibility for an Enclosure in Periodicals Publication

#### 9.3.1 All Enclosures

Except under [9.3.2](#), all enclosures mailed with a bound publication must be bound into the publication or securely affixed to a page of the publication. Enclosures mailed with an unbound publication must be combined with, and inserted within, the publication. Subject to payment of the applicable postage, separate and independent pieces of nonincidental First-Class Mail and pieces of USPS Marketing Mail may be mailed as enclosures with Periodicals publications.

**9.3.2 Loose Enclosure**

A loose enclosure may be mailed with a bound Periodicals publication only if:

- a. The enclosure and the Periodicals materials are totally enclosed in an envelope or plastic or paper wrapper; or the enclosure and the Periodicals materials are inside a sleeve and the enclosures are inserted within the publication and held by tension or secured to prevent separating from the publication while in the mail.
- b. For USPS Marketing Mail matter, the total weight of all enclosed material is less than 16 ounces.
- c. If enclosed in a plastic wrapper or polybag, the Periodicals publication is the top or bottom piece, faces out, and its title is visible.
- d. The enclosure is not addressed.

**9.4 Eligibility for an Enclosure in USPS Marketing Mail, Parcel Select, and Package Services Parcels****9.4.1 First-Class Mail**

Letters or other pieces of First-Class Mail may be enclosed in pieces of USPS Marketing Mail, Parcel Select, and Package Services. **9.5 Eligibility for an Incidental First-Class Mail Attachment or Enclosure**

An incidental attachment or enclosure must be closely associated with or related to the piece to which it is attached or in which it is enclosed; must be secondary to that piece; must not encumber postal processing; and must *require* First-Class Mail postage if mailed separately. Incidental First-Class Mail matter may be enclosed in or attached to Periodicals matter, USPS Marketing Mail merchandise (including books but excluding merchandise samples), Parcel Select, and Package Services matter. The attached or enclosed incidental matter may be mailed at the applicable postage price of the host piece with which it is attached or enclosed. Incidental First-Class Mail matter includes a bill for the product or publication, a statement of account for past purchases, and a personal message or greeting included with a product, publication, or parcel.

**9.6 Eligibility for Combined Mailing of Media Mail and Bound Printed Matter****9.6.1 Machinable Parcels**

A mailer may combine into one parcel separate and distinguishable pieces of Media Mail and Bound Printed Matter for the same addressee, if these combined pieces form a regular machinable parcel as defined in [201.7.5](#).

703.9.6.2

### 9.6.2 Presorted Prices

Presorted prices may be claimed, subject to the applicable preparation standards. If Presorted prices are claimed on both subclasses, the mail must be prepared under the standards for Bound Printed Matter in [265.5.0](#) for flats and [265.8.0](#) for parcels.

## 9.7 Markings on Mixed Mail

First-Class Mail attachments must be marked “First-Class” or “Letter Enclosed.” USPS Marketing Mail attachments must be marked “Marketing” or “MKT” or “Standard” or “STD.”

### 9.7.2 Enclosures

When a Periodicals publication is mailed with a nonincidental First-Class Mail or any USPS Marketing Mail enclosure, the corresponding “First-Class Mail Enclosed” or “USPS Marketing Mail Enclosed” or “Standard Mail Enclosed” marking must be placed on or in the host publication as follows:

- a. If placed on the outer wrapper, polybag, envelope, or cover of the host Periodicals publication, the marking must be set in type no smaller than any used in the change-of-address notice in the identification statement.
- b. If placed in the identification statement, the marking must meet the standard in [9.7.2a](#).
- c. Except under [9.9](#), the marking must not be on or in copies without a First-Class Mail or USPS Marketing Mail enclosure.

### 9.7.3 Parcels

The mailer must mark “First-Class Mail Enclosed” or “USPS Marketing Mail Enclosed” or “Standard Mail Enclosed” on each USPS Marketing Mail, Parcel Select, and Package Services parcel with such an enclosure. The marking must be placed below the postage and above the delivery address, using any method that produces legible wording.

## 9.8 Postage Payment for Attachments of Different Classes

### 9.8.1 Computation and Payment

Postage for the host Periodicals, USPS Marketing Mail, Parcel Select, or Package Services piece must be paid under the applicable standards. Except for incidental First-Class Mail attachments under [9.11](#), First-Class Mail or USPS Marketing Mail attachments must have postage affixed at the proper price.

### 9.8.2 Postage Statements

Separate postage statements using the proper USPS forms must be prepared for the host piece and the attachment and must be submitted at the time of mailing.

### 9.8.3 Mailing Fee

The annual mailing fee must be paid for the current 12-month period at each office where postage for a USPS Marketing Mail attachment is paid at any USPS Marketing Mail price.

## 9.9 Postage Payment for Enclosure in Periodicals Publication

### 9.9.1 General Rule

Postage for the Periodicals publication is paid under [207.16.0](#). The proper First-Class Mail or USPS Marketing Mail price is paid for the enclosed material, based on the comparable Periodicals price applicable to the addressed piece containing the enclosure.

### 9.9.2 Authorized Payment Method

A publisher authorized for Centralized Postage Payment (CPP) may arrange to submit postage statements and pay postage for First-Class Mail or USPS Marketing Mail enclosures to the designated Post Office (DPO) under the relevant standards in [207.16.0](#). The publisher must be authorized by the DPO each time the Periodicals publication is mailed with a First-Class Mail or USPS Marketing Mail enclosure.

### 9.9.3 Multiple Items

When more than one enclosure of the same mail class is enclosed with a publication, they may be treated as a single enclosure for computing postage.

### 9.9.4 Affixing Postage

Postage for a First-Class Mail or USPS Marketing Mail enclosure may be paid by affixing the correct amount in precanceled or meter stamps to the enclosure or to the outer wrapper, polybag, envelope, or cover of the host Periodicals publication.

### 9.9.5 Permit Imprint—Outside Publication

Postage for a First-Class Mail or USPS Marketing Mail enclosure may be paid with a permit imprint placed on the outer wrapper, polybag, envelope, or cover of the host Periodicals publication if:

- a. The permit imprint is prepared as shown in [604.5.0](#).
- b. The permit imprint and any required marking are set in type no smaller than any used in the change-of-address notice (“POSTMASTER: ...”) in the identification statement.
- c. The permit imprint and marking appear only on copies accompanied by a First-Class Mail or USPS Marketing Mail enclosure.
- d. Unless postage for the host publication is paid under CPP or plant-verified drop shipment procedures, the mail is entered at the Post Office where the permit is held.

### 9.9.6 Permit Imprint—Inside Publication

Postage for a First-Class Mail or USPS Marketing Mail enclosure may be paid with a permit imprint placed in the identification statement of the host Periodicals publication if:

- a. The permit imprint is prepared under [604.5.0](#).
- b. The permit imprint and any required marking are set in type no smaller than any used in the change-of-address notice (“POSTMASTER: ...”) in the identification statement and surrounded by either a black line or a 1/4-inch clear area.

### 703.9.9.7

- c. The permit imprint and the required markings are only on copies accompanied by a First-Class Mail or USPS Marketing Mail enclosure unless the marking in all copies is followed by both a list of the editions or edition codes mailed with a First-Class Mail or USPS Marketing Mail enclosure and the edition name or edition code that applies to the respective copy.
- d. Unless postage for the host publication is paid under CPP or plant-verified drop shipment procedures, the mail is entered at the Post Office where the permit is held.

#### **9.9.7 Permit Imprint—Omitted**

A permit imprint need not be printed on the outer wrapper, polybag, envelope, or cover of the host publication, and need not be printed inside the publication, when the marking “First-Class Mail Enclosed” or “USPS Marketing Mail Enclosed,” as appropriate, is placed on the outer wrapper, polybag, envelope, or cover of the host publication, or in the Identification Statement.

#### **9.9.8 Computing Permit Imprint Postage**

Permit imprint postage for the enclosure is computed at the applicable First-Class Mail or USPS Marketing Mail price, corresponding to the number of copies of the Periodicals publication prepared with the enclosure. The enclosure is eligible for the price for its class of mail that is most comparable to the presort and destination discounts that apply to the Periodicals host piece. For example, a USPS Marketing Mail enclosure is eligible for the SCF entry discount if the publication is deposited at the destinating SCF. When more than one enclosure of the same class of mail is enclosed with a publication, the enclosures are treated as a single enclosure for computing postage. Postage for the First-Class Mail or USPS Marketing Mail enclosure must be claimed on the proper postage statement.

#### **9.9.9 Mailing Fee**

The annual mailing fee must be paid for the current 12-month period at each office where postage for a USPS Marketing Mail enclosure is paid at any USPS Marketing Mail price.

#### **9.9.10 Documentation**

Subject to [203.3.0](#), documentation for a mailing of a Periodicals publication with nonincidental First-Class Mail or USPS Marketing Mail matter enclosed includes:

- a. The Periodicals postage statement and any supporting documentation specified in the standards for the price claimed.
- b. The First-Class Mail or USPS Marketing Mail postage statement for the enclosed matter.
- c. Amendments or additions to the documentation required in [9.9.10a](#) as necessary to account for the enclosed matter and support the postage claimed for it.

**9.10 Postage Payment for Enclosure in USPS Marketing Mail, Parcel Select, or Package Services Parcel****9.10.1 Postage**

Postage for the enclosure must be placed on the outside of the parcel, either separately or by addition to the postage for the parcel itself.

Separate postage statements for the host piece (if required) and the enclosure must be submitted at the time of mailing.

**9.11 Postage Payment for Incidental First-Class Mail Attachment or Enclosure****9.11.1 Computation**

**9.11.2 Periodicals**

Postage for an incidental attachment or enclosure with a Periodicals piece is determined as follows:

- a. If the Periodicals piece consists entirely of nonadvertising matter, the attachment or enclosure is also considered nonadvertising matter.
- b. If the Periodicals piece consists of advertising and nonadvertising matter, the attachment or enclosure is considered advertising matter.

**9.12 Postage Payment for Combined Mailings of Media Mail and Bound Printed Matter****9.12.1 Postage**

Postage for each separate unit must be placed on the outside of the parcel.

**9.12.2 Postage Statements**

When required, a separate postage statement must be submitted for each part of the combined mailing.

1. For nonbarcoded parcels, add \$0.042 per piece. The surcharge does not apply to pieces sorted to 5-digit ZIP Codes.
2. For pieces weighing more than 3.3 ounces, each piece is subject to both a per piece price and a per pound price. Multiply the number of pieces in the mailing by the per piece price. Multiply the number of pounds of the mailing by the per pound price. Add both totals.
3. Subtract \$0.000 for each parcel that complies with Catalog Incentive for Presorted Parcels.
4. Entry at designated center, facility, unit or other equivalent facility. (DSCF/DADC=LPC for letters/flats or DSCF = RPDC for parcels, DDU=SDC)

# NORINE HAMMOND

## CONSERVATIVE REPUBLICAN FOR STATE REPRESENTATIVE

Norine Hammond is a consistent conservative voice in Springfield, fighting every day for the values that define rural Illinois: faith, family, hard work, and personal responsibility.

While Chicago Democrats push a progressive agenda, Norine Hammond stands firm, protecting our communities, our values, and our way of life.

*Norine Hammond's record is clear:*

- » Rejects Governor Pritzker's reckless spending, standing up for Illinois families, farmers, and small businesses
- » Fights against sanctuary policies that prioritize illegals over citizens
- » Defends the 2nd Amendment, parental rights, and local control, not Chicago mandates
- » Votes 100% pro-life, defending the most vulnerable
- » Stands with law enforcement, fighting SAFE-T-ACT policies that put dangerous criminals before victims
