RE: OMA Request for Review – 2026 PAC 94862

Dear Ms. McGill:

The Public Access Bureau received your above-referenced Request for Review alleging an OMA violation in connection with the May 4, 2026, meeting of the Broadview Village Board. In a July 10, 2026, telephone conversation with the Deputy Public Access Counselor, you confirmed that this matter may now be closed as resolved, following the Village Clerk's affirmation that the Board will no longer require members of the public to state their home address before being allowed to public comment. Accordingly, this file is closed. If you have any questions, please contact me at (217) 785-7438.

Very truly yours,

Christopher R. Boggs
